## PRESIDENT'S MESSAGE

Carol Powell

We have reached the half way mark for summer! Time does have a way of flying, doesn't it? As we continue on the path to return to "normal", our Governor has just signed a law making it illegal to sue an adult community, or other similar type of complex, over COVID. The Board will address how this law affects us at our next meeting and by the time you read this you will know if it has had any impact or not.

On other fronts, the new air-conditioning system is being installed for the Lion's Den in the clubhouse. The pool is open. The gym is accessible without an appointment. Sunday movies are returning. Art classes has resumed. The Social Committee has scheduled their next event. The Men's Club is serving lunch at their next meeting. The Women's Club is moving forward. Indoor shuffleboard and the chorus are scheduled to begin soon. The Travel Committee hopes to resume bus trips to AC very soon. Slowly but surely life at Lions Head South is beginning to seem like the place we all know and love.

A special thanks to the Building and Grounds Committee and the Garden Club. I have heard nothing but positive comments about the fountain at our main entrance. It seems that everyone loves it. And, of course, thanks to all of our committee members who work so hard to keep Lions Head South among the best places to live in Ocean County. Each and every person who gives their time for the benefit of all deserves thanks and most importantly respect. Please remember that we are all volunteers doing our best.

As we continue, I hope to move forward. Enjoy the rest of your summer. As always, stay safe and most importantly, stay well.

## EDITORIAL

Linda LaFerrera

Welcome to the lazy, hazy, crazy days of summer! That's the way it feels right now as this editorial is being written, as we are in the middle of our second heat wave of the summer... and it's only late June! It's a fact that human nature has a short memory. It wasn't too long ago that the frigid cold of winter had some of us hoping for the heat of summer. Perhaps the lesson we should learn is that, hot or cold, it's good to be around to feel it.

Another pleasant observation is seeing the benefits of the many beautification projects that are happening in Lions Head South. The Garden Club has engaged in projects at our entrance and at various areas within our community that have brought amazing beauty to our village. The Building and Grounds Committee has completed a lovely transformation of our entrance fountain. Individual homeowners are also doing their part in landscaping the perimeters of their homes and, in some cases, even remodeling the facades of their homes themselves. The residents of Lions Head South truly care about their community. There is certainly a reason why the name of our publication is the Lions Pride!

## LHCC

*Jim Mort*

The June 21st General Membership Meeting minutes are posted to the LHCC BB and the Lions Head Website. The next General Membership meeting is scheduled for August 16th, 7:00PM in the Lion's Den. Be there, it is your golf course, you should be aware as to what is going on. Results for the July Scramble are also posted to the Website. The next Scramble is scheduled August 10th.

Fun Day is scheduled for Saturday, September 18th and a Flyer is included in this issue of the Pride which provides all of the required information. All Members and their guests are invited to participate in the fun filled activities and cookout style dinner.

The Annual Tournament is scheduled for Saturday, September 25th. Registration Forms are available at the LHCC Clubhouse. Cut-off for registration is September 12th. Last year we only had two flights, limiting the number of players, and had to turn players away. This year we will have three flights permitting increased players but it is still highly recommended that you register as soon as possible to ensure you get the time you want for you and/or your team. The Flyer for the Tournament is included in this issue of the Pride and registration forms will also be available on the Website.

The Free Golf Clinic hosted by the LHCC in June was very successful and generated a lot of interest. We had more than a full house of interested participants. Subsequently, we have signed up several Clinic attendees for three play cards which can lead to full membership. This Golf Clinic was set-up, coordinated and run by Brian Halm, Joe Bill and our professional instructor, Art Robidoux. They provided a professional program for any beginner to easily pick-up the necessary skills to get started golfing. We appreciate the time and effort put in by the instructors for this event, especially Brian Halm in his overall control and professional attitude in setting up and running the Golf Clinic, job well done. Thank you.

The 20/20 Raffle is going strong and it is not too late to participate. We are approximately half way through and will continue to award \$100.00 a week through October 7th and then \$1,050.00 for the Grand prize on October 11th. The Free Membership raffle is also still running and the award of a free year membership to the LHCC will be awarded on December 6th. Great idea for a Christmas present. Tickets for both of these raffles can be purchased at the LHCC Clubhouse any day of the week.

Additional plumbing work was required on our outside water supply. Ed Bischoff solved the problem and we are up and running without any more leaks. I appreciate you

taking care of these problems Ed, and without a doubt it is nice to have a plumber in the house. Thank you.

Pat Whyte has aggressively ensured our outside area received the attention it needed with the maintenance and upkeep of our flowers and plants. This has extended to putting in additional flowers around the new bench put in by the community at the corner of Ashford and LH Blvd S. Pat, we appreciate the time and effort you have put and are continuing to put into this project; please keep up the good work. Thank you.

With the LHCC elections coming up on October 18th at the General Membership Meeting, now is a good time for anyone interested in volunteering to serve on the Board of Directors to check out the election process. Any questions, please contact me or any Director; the list of Directors is posted in both clubhouses.

Our Superintendent does one hell of a good job maintaining our course and the one thing he continuously requests is that we care enough to assist him by fixing our ball marks on the greens, replacing divots, raking the sand traps after use, not taking our carts on or near the greens and or Tees, and in general picking up after ourselves.

## COMMUNITY AWARENESS

*Gail Levenelm*

Now that the clubhouse is open and we are having residents' meetings again, the Community Awareness Committee has been working to provide interesting speakers and events at the August and September meetings.

For the August 9th meeting, Ptl. Victoria Finelli, the Brick Township Community Policing Officer, will come to talk about the Neighborhood Watch Program and Project Safe Lock. A prescription drop box will be available during that meeting as well.

Since there will be an election in November for Brick Township Mayor and three council seats, the committee is planning a "Meet the Candidates Night" during the September meeting. More details will follow.

I hope everyone is having an enjoyable summer at the beaches and the many events held by Brick Township.

## WELCOMING COMMITTEE

*Rosemarie Ferrainolo*

After such a long period of time with COVID-19 taking over our lives here at Lions Head South, it was such a pleasure to hold two “Meet and Greet” get-togethers for the new residents who moved in after October 2019.

On June 16th, our first get-together was held at the clubhouse with many new residents in attendance along with the Trustees, Committee Chair people and, of course, the Welcoming Committee.

On June 24th, our second Meet and Greet was held and the same format was followed. Trustees and Committee Chair people were present to circulate and get acquainted with everyone. Since many residents had not been able to enter the Clubhouse, a tour was given showing the many amenities LHS offers.

Gift bags from the Chamber of Commerce with local information were distributed, along with a bag from LHS with a gift for their household and various items donated by local businesses. Club, recreation and Country Club information was also included.

Refreshments were served, a floral centerpiece was raffled off to a new resident, and many new acquaintances were made.

I would like to thank my wonderful committee for their help, the Trustees, Ann DeAngelo and the clubhouse staff. Gail Levenelm and Maxine Coben collected the information from the Brick Chamber of Commerce, the Ocean County Senior Services office, and the many gift items contained in the bags. It was certainly a group effort that made these evenings successful.

The Welcoming Committee will not be meeting during July and August but will see you in September. I wish everyone a healthy, fun-filled summer.

If anyone has any questions during the summer, I can be reached at 732-903-7309.

In addition, Building & Grounds continues to monitor the common areas to improve and maintain. Any resident who is interested in participating on this Committee is welcome to attend our monthly meeting held in the Clubhouse the first Tuesday of each month at 10:30 a.m.

## CLUBHOUSE COMMITTEE

*Rose Saputo*

Please don't be a stranger. If you have not yet come into the clubhouse, please come and re-acquaint yourself with the rooms used for all of the various activities available.

## **SOCIAL COMMITTEE**

*Debbie Holzherr*

The Social Committee will host a “SEE YOU IN SEPTEMBER” dinner dance on Friday night, September 17. Entertainment will be provided by the terrific and versatile band “Let’s Be Frank”. It will be great to have LIVE music once again.

The tickets are \$25 and will go on sale Mondays, Aug 16, 23, 30 and Sept 6.

A Buffet of Italian Favorites will include the following:  
PASTA PRIMAVERA      EGGPLANT PARMESEAN  
MEATBALLS              SAUSAGE & PEPPERS  
ARANCINI (rice balls)              SALAD  
DINNER ROLLS              DESSERT & COFFEE  
WATER AND ICE

This will be our first event in the Lion’s Den since early 2020. We hope to see you there!

## **OUTDOOR SHUFFLEBOARD**

*Rose Szpara*

Shuffleboard ended on June 23 instead of June 30 because of the extreme heat. On July 25, we had a meeting with refreshments and prizes were awarded to the following teams:

FIRST PLACE: Betty Bozzetti and Sandy Mount

SECOND PLACE: Rose Szpara and Barbara Craney

THIRD PLACE: Chuck Florio and Bill Leck

All the other teams also received money prizes.

I am looking for someone to take over Outdoor Shuffleboard next summer. After 15 years of running it, I am retiring. I will be glad to give anyone information on how to organize the game.

## **TRAVEL COMITTEE**

*Susan Mills*

LHS residents, are you ready to get back on a bus, train or cruise ship? I am. Between 2005 and 2020, the Travel Committee has organized many one-day and multi-day trips. Many of you are familiar with our Atlantic City casino trips to see a show and do a little gambling. We have traveled by bus to Montreal and Quebec, Nashville and Dollywood, Hilton Head and Savannah and many other interesting places. LHS residents have enjoyed cruises to the Caribbean, Nova Scotia, Bermuda, Bahamas, and Hawaii.

I have found group traveling a fun way to get to know and make friends with other residents. The Travel Committee needs volunteers to help plan and organize these excursions. Please consider joining me at the Travel meeting at 9:30am, August 12 to start planning for 2022. Because I realize many of you are not retired, I could make future meetings in the evening. Please call me with any questions or ideas you have. I look forward to hearing from many of our residents who have moved here in the last few years.

## GARDEN CLUB

*Carmela Ferraro*

Well, as I'm writing this, we're having several beautiful days of 70-80 degrees with no humidity. Lest we forget summer came in with a bang. The West had a spell of 100+degree days and we were again in our usual hot and muggy weather and lots of rain. So, we can only hope the beautiful days will stay around for a while.

Because of the uncertainty of COVID, our Spring luncheon, arranged by Elaine Long, Jeanine Hogan and Lucy Coburn was held in the Lion's Den. It was a delightful change from our restaurant luncheons and was thoroughly enjoyed by all.

### **DID YOU KNOW???**

- A Sunflower is not just one flower. Both the brown center and classic yellow petals are actually 1,000 to 2,000 individual flowers.
- There are more microorganisms in one teaspoon of soil than there are people on earth. These microbes are important for keeping the soil full of nutrients.
- Plants really do respond to sound. Sounds like an old wives' tale, but studies have shown vibrations can affect plant growth.
- Butterflies might be attracted to your weeds more than your flowers. It's more about the fragrance and nectar.
- Apples, peaches, cherries, raspberries, and strawberries are actually in the rose family.
- The color of hydrangea blossoms can vary from pink to blue depending on the acidity of the soil. Alkaline soil will result in pinker blooms, while acid soil will produce blue ones.
- The Japanese associate chrysanthemums with happiness and joy. In Malta, they are associated with death and funerals.
- Broccoli is technically a flower. The green florets on broccoli stalks will eventually open into tiny yellow flowers.
- In medieval times lavender was used to treat illnesses and ward off head lice, cholera and even the plague.
- Many orchids don't need soil to grow—they can get all their nutrients from the air.
- Moonflowers bloom only at night; their cousins, morning glories, bloom in the morning.

### **AUGUST GARDENING HINTS**

It's time to divide Irises. With a knife, separate rhizomes, check for any borers (destroy them) and discard any soft or rotten rhizomes. Each rhizome division should have one leaf fan. Cut foliage back to 4-6 inches. Replant divisions 12-18 inches apart, with rhizome tops barely showing above the soil surface.

Asters are a popular choice for late summer and fall color. There are several varieties—tall and short and many colors. They attract bees and butterflies and are deer resistant.

Late August and September is the time for separating and transplanting peonies. They like acidic soil.

It is a good time for final fertilizing of all plants.

Check for gypsy moth egg masses on trees and shrubs. Remove and destroy.

Our meetings are held on the second Wednesday of the month at 10:30 AM in the Lion's Den. Our next meeting is August 11th. Won't you give us a try and join us?

## MEN'S CLUB

*Don Antonelli*

The annual Men's Club golf outing was held on Thursday, June 17 at the Lions Head South Country Club. Although we had a lower-than-normal turn out, we did have 12 non-golf Men's Club members and 16 golf members participate and have lunch together. The interest and turn-out was good considering we had no golf outings last year. We appreciate the assistance we received setting up the outing especially from Ed Kraft and Bob Pedersen. Ed for setting up the general area and Bob for ensuring we had enough food and drink. Russ Casella ensured his golf team made a good showing by making 3 of 4 of his team's birdie putts assisting his team to a low score of 25.

We had our first Men's Club general meeting since early last year on Wednesday, July 7 complete with lunch and program in the Lion's Den in the clubhouse. So far, we have booked the Blue Claws game on August 6 and A Night at the Races on November 20. We are working on a couple more events by year end.

We have a Beaverson Blvd. clean up on September 8. If you can, please try to help; the more people, the faster it goes. It should take about one hour. Thanks everyone; stay well and God bless.

## VEGETABLES, FRUITS & HERBS AT THEIR "BEST"!

AUGUST brings us the best in vegetables, fruits, and herbs. The origin of vegetables dates back to 7,000 - 10,000 BC. when collected from the wild by hunters. Vegetables are grown all over the world, as climate permits. They can be eaten raw or cooked and are extremely important for nutrition.
