## PRESIDENT'S MESSAGE

*Barbara Skelly*

Hot! Hot! Hot! That's the best way I know how to describe this past summer! Although I do not want the summer to end, I must admit that I am looking forward to the milder days of the Fall.

The summer has kept many of us very busy. DJ Louie, sponsored by the Recreation Committee and the Men's Club Sunday Sundae created traffic jams in the parking lot during the last Sunday in July. It was so good to see so many residents enjoying this joint activity.

Sadly, I must announce that John Castellano has resigned as a Trustee. John has served this Community for many years in multiple capacities, including President of the Board of Trustees. He has offered his advice and has guided us through many difficult decisions. We will miss his participation, recommendations, and friendship. John, we look forward to working with you in this new role as resident - but we still plan to "pick your brain" when the situation calls for it. Thank you for your many years of service.

As per the Rules and Regulations of LHS, the Trustees were required to appoint someone to fill John's term for the rest of the year. The Trustees asked Linda LaFerrera to serve in this capacity for this year. Linda has graciously accepted, and we welcomed her to the Board last month. Linda has prior experience, having already served as a

Trustee for several years. Welcome aboard Linda, we look forward to your insight and guidance as well.

Since John was the elected Board member, his position will require a permanent replacement as of next year, 2023. This will mean that we need to elect 4 Trustees for next year. If you have any interest in running for a Trustee position, please contact Charles Facciponti, Nominating Committee Chairperson, and stop by the office for an application packet.

Periodically, the Trustees receive notes from residents expressing concern over various topics. And when possible, we discuss the issue and take appropriate action. Unfortunately, if letters are submitted anonymously, we cannot address the concern. If you feel strongly enough about presenting information to the Trustees, please sign your complaint and be assured that all issues will be handled confidentially.

And so, it goes. Enjoy the remaining days at the pool, the wonderful weather of fall and the start of the changing of colors all around us. In the words of Delia Owens, author of *Where the Crawdads Sing* (my favorite book of the year), "Autumn leaves don't fall, they fly. They take their time and wander on this their only chance to soar."

***Have a happy and safe Labor Day.***

## EDITORIAL

*Carol Powell*

Okay, would someone please tell me where the summer went! How can it possibly be September! However, the fall is such a lovely time of year that it's hard to complain. Comfortable temperatures and autumn leaves. All good things.

Those of you who contribute to the Pride are aware that our email address was hacked in August. The problem was addressed as soon as it was discovered, and as far as we can tell, the primary problem it caused was the need to re-submit articles to another address. This was on top of the Robocall system being down. Many of our contributors rely on the Robocall to remind them when their articles are due. Now they were receiving telephone calls from me, advising that they needed to send or resend, as applicable, to my email address. Thanks to each and every person who I called who was so understanding and patient. Thanks also to Lin in the office for being readily available to assist (as she always is). The adage about it "takes a village" is certainly applicable to Lions Head South, in so many ways.

Once again, I would like to remind our "village" that the Lions Pride is your publication. We encourage all to submit anything you would like to share; stories and photographs of your pets are always fun. How about sharing some Lions Head South memories? If you don't do the email thing, there is a folder in the clubhouse or talk to the office staff. They will ensure that we receive whatever it is you want to get to us. My phone number is in the book. Linda and I are always happy to help.

As always, stay safe, most important, stay healthy and have a great Labor Day holiday.

Welcome September! How many of you are looking forward to the cooler temperatures that usually begin in this month? I certainly am.

Wouldn't you agree that this summer was quite a hot and humid one? Many of you took advantage of the pool and cooled off and relaxed. Refreshing, wasn't it?

Keep abreast of the upcoming events being planned for the next few months. Watch for more information in your Lions Pride, on our website, and/or by browsing at the bulletin boards down both sides of your Clubhouse hallway.

Be safe, stay well and May God Bless you and yours.

## ARCHITECTURAL COMMITTEE

*Stephen Scaturro*

Hope everyone had a great summer! Fall is the time when we think about home projects before the doldrums of winter are upon us. Our Lions Head community is always so good about keeping their homes in pristine condition.

With that in mind, we should remember that all projects on the outside of your home need to have approval of the Architectural Committee. Some of the frequent requests: If you are thinking about painting or new siding, you need approval for the color; if it's a new roof, that also needs approval for the color. Driveways and walkways have restrictions for size; so guess what, that needs to go before the committee. We want to keep consistency in our "beautiful" community; therefore, we require these items and so many more to be put before the Architectural Committee. Please refer to your booklet if you're unsure, or contact the Committee. All the members are happy to assist with your questions.

It is so much better to check the rules and regulations before you start your project, so you do not have to remove a beautifully completed flowerbed because it does not meet the standards. Or worse yet, if the situation is not corrected, you risk a fine.

Another area that occurs, especially as we get into the hurricane season and winter weather with strong winds, is the removal of trees. There are strict guidelines as to which trees can be removed and what kind of tree is allowed for replacement. Many of the regulations and requirements are due to ordinances from Brick Township. Preservation of our trees is very important to the Township, so please take the time to either check with someone from the Architectural Committee or review the rules and regulations.

The Architectural Committee is here to make it easier for you to complete your desired projects with no interruption. But sometimes homeowners forget they are in a planned community. The rules are clearly defined when you purchase your home and sign all your documents. Please remember this as you personalize your house, making it that special place to enjoy for years to come.

## GARDEN CLUB

Carmela Ferraro

"By these lovely tokens  
September days are here,  
with Summer's best of weather  
and Autumn's best of cheer"

by Helen Hunt Jackson

September is the countdown to the first frost date that includes lots of plans:

What needs to be brought indoors, what can stay outdoors for a little longer and where are you going to put them? Spring plans also need to get started this month. Irises can be divided; Peonies can be planted and Amaryllis brought indoors to become dormant until early November. Weigela and Hydrangea pruning will ensure beautiful blooms next spring.

Squirrels bury their nuts in the garden and dig up bulbs. If this is an issue, cover bulbs with a layer of chicken wire that a squirrel cannot breach.

Plant perennials this month. There are bargains to be found and they'll have plenty of time to settle in before winter. Fall blooming Asters and Chrysanthemums that are planted early enough may return for next year. Mums are perennial. Most of the ones sold in stores this month are produced in very controlled conditions so that they are just coming into bloom when you buy them. They will, however, still bloom after a light frost and come in a delightful range of colors.

This past spring it was our pleasure to do the spring plantings with a bit of extra enthusiasm....extra spiffy touches to help our community celebrate the 40th anniversary.

The Garden Club Members, finally after 2 years, got to have an off-premise luncheon held at Manera's, which proved to be most relaxing and most enjoyable.

Do consider joining us on the 2nd Wednesday of the month....NO EXPERIENCE REQUIRED.

Thanks for your patience, Clare Mathiasen

## COUNTRY CLUB

*Jim Mort*

As the year moves rapidly along, we find ourselves into the busiest part of the year for all of us at the LHCC. During September we run a Scramble, Fun Day and the Annual Tournament. These events provide an opportunity for a lot of golf, cookouts, dinners and competition. With our host of volunteers, we are able to run a Scramble for 30-40 players, then relax somewhat at a Fun Day for 50 – 70 members and finish up the month with a tournament that handles 90 – 120 golfers. Our volunteers put in a lot of time and effort setting up, coordinating, running and participating in all of the events that are put on throughout the year for the benefit of all of our members. We are a lucky bunch at the LHCC, we have the best of retirement in a great, well-run community, and the access to a well maintained, beautiful golf course that is there for our enjoyment. Our ongoing question and wonder are, “why don’t more of our community take advantage of the facilities that are available.” Having golfed at LHCC for over twenty years and never had to have a Tee-Time is one of the real pleasures of being a part of, and a member of the LHCC. If you haven’t already done so, check out the golf course, it truly is a great place to play and or learn how to play golf.

The next **WGA Meeting** is scheduled for Wednesday, September 7th and is held at the LHCC Clubhouse. Following the meeting, lunch is provided by Shorrock Gardens. The WGA provides the opportunity to get as involved with golf at whatever level you are looking for, and to participate in the WGA social life that you may find very enjoyable. Check it out, get involved, enjoy the facilities that are available to you in your community.

**Fun Day** is scheduled for Saturday, September 17th. This is our day, set-up, and organized for our enjoyment of the facilities that are available to us. We compete at putting, pitching, bean bag as well as a water balloon toss. Prizes are awarded and a complete BBQ/Cookout is provided.

The **Brian Halm Annual Tournament** is scheduled for Saturday, September 24th. This will be our first attempt at a full tournament since 2019, pre-COVID. We anticipate anywhere from 90 – 120 players. We pay out \$1,000 in cash prizes, plus an additional \$300 from the Shorrock Gardens Putting Contest, as well as many free gifts and a “goodie bag,” of assorted gifts. Upon completion of the competition, we have an awards lunch to pass out the cash and additional prizes. This year the primary sponsor is Bright View, our Course maintenance contractor, along with Turf Master, Spirits Unlimited and Shorrock Gardens.

## COUNTRY CLUB continued from page 12

The money provided by these companies allows us to award the generous prizes and provide the assorted gifts. This year Shorrock Gardens is providing the Putting Contest which gives the top placed woman and man a putt for \$2,500.00. All in all we are so looking forward to a very successful tournament, weather permitting.

The results from the last Scramble, played on August 9th, have been posted to the LHS Website. The next Scramble is scheduled for Tuesday, September 13th. As always, Shorrock Gardens provides a continental breakfast and a light lunch.

The minutes for the August 15th **General Membership Meeting** are posted to the LHS Website and the LHCC BB. The next and last General Membership meeting for 2022 is scheduled for October 17th. This meeting is also to elect new members to the Board of Directors for 2023. To actually hold an election, we must have a minimum of 25% of our members present. Be there, participate, be an active part of your golf course.

The minutes for the August 9th **Board of Directors meeting** are posted to the LHS Website and the LHCC BB. The next Board of Directors meeting is scheduled for Tuesday September 13th.

The **Hole-In-One program** has 34 participants worth a total of \$680.00. To date, we have two qualified Hole in Ones, Bob Jani and Jim Mort. Still lots of time to share in the winning pot and it is not too late to sign-up.

Part of our golf etiquette for LHCC is that each player is responsible for every ball hit. This means that any errant ball that causes any damage is the responsibility of that golfer. We stress to all golfers that if one of their errant hit balls causes damage or potential damage, to go to that house, car, etc and attempt to talk with the owner of the property. If this isn't possible then leave a note with the golfer name, phone number, etc, and report the incident to the Starter at the LHCC Clubhouse. In the event there isn't a Starter, the golfer will leave a detailed note of the incident along with the name and phone number of the golfer. For any resident experiencing any damage from an errant hit golf ball and the golfer did not or does not address the incident, call the golf course and report the incident. The LHCC Board of Directors will follow through on any reported incidents and will attempt to rectify the situation. Any questions or problems encountered with any errant golf ball damage should be referred to anyone of our Directors, or call me directly, Jim Mort 732-779-9657.

## SOCIAL COMMITTEE

*Roberta Marvel*

Happy greetings to all our LHS residents! The warmer summer months are just flying by and we are quickly approaching the cooler, beautiful fall months.

We are thrilled that the Bob Scott Game Show on July 9th was a fun night of entertainment. We had 54 people who played the “Family Feud” and “Wheel of Fortune” games. We laughed, made new friends, and shared many delicious snacks. There were also some lucky winners who won cash prizes! Our committee received such positive feedback that we are in the works of planning the return of the Bob Scott Game Show in the coming months.

Our next scheduled event is the LHS “Dinner Night Club” on Saturday, October 22, 2022, from 6 p.m. to 10 p.m., at the clubhouse. The ticket price for this event is \$38.00 per person and will include a full buffet dinner, along with 3 hours of entertainment by well-known Elvis impersonator, Keith “King” Gibson. Keith will be singing many songs by your favorite entertainers and will be dedicating a full one-hour show of songs by Elvis in full costume. This will surely be an event that you will not want to miss! Please review the flyer in this month’s *LHS Pride* for more details. Tickets sales start on September 19th.

Please remember to visit the LHS website at [lionsheadso.com](http://lionsheadso.com) to view all committee events with the most recent and up-to-date information so that you can plan your schedules to attend the many fun-filled events that our community has to offer.

We wish all our residents and their families a fun Labor Day weekend! Stay safe and well!

## RECREATION

*Marie Thomas*

Summer is nearing the end, but we had a great one!

DJ Louie was so much fun. It was so nice to see everyone out and having a great time each month at the pool. I am hoping we can have him again next year. The pool will close on September 18th, and he will be here one last time. Come and send this summer off in style!

Barry Strothmann is interested in forming a Tuesday night bowling league. If interested, give him a call.

Our community has so much to offer. Please consider joining in and having some fun in one of the many recreational activities we offer.

## WEBSITE COMMITTEE

*Tony Bruzaitis*

**Visit our website at [www.lionsheadso.com](http://www.lionsheadso.com).**

What do you do when you have out of town relatives or friends come to visit? We know the Jersey shore is a wonderful place, but sometimes you just run out of ideas. We would like to help.

Our *Area Activities* pages lists a number of venues (theaters, concerts, parks, etc.) in and around Brick. No matter the season, you can find much to do even if you do not have guests. And as we have just begun putting this list together, we would appreciate your suggestions for additional activities. Just email us at [web@lionsheadso.com](mailto:web@lionsheadso.com) or drop us a note at the office.

And don’t forget to look at the *Travel, Social, and Recreation* Committee pages. There’s a lot going on and these committees are publicizing it on the website.

Just a reminder that our committee is now meeting on the third Monday of the month at 10am at the clubhouse and every other month we are meeting at 7pm in the evening so those that are not available during the day can join us. Our next meeting will be Monday, September 19 at 10am. Please join us then to learn what we do and how you can be a part of the committee. You do not need to be a computer whiz. If you can view a webpage, you can help us.

If you have not visited our website lately, take a few minutes to explore the resources we have added.

## NOMINATING

*Charlie Facciponti*

Hello Lions Head South community residents. I am the Chairman of the Nominating Committee. The committee members are charged with finding residents who might be interested in becoming a Trustee.

This year we have four open seats on the Board of Trustees. To be a Trustee you must, of course, be a resident. The process includes completing an application. Part of that application is a resume of sorts that provides the reasons you think you would be good at the job. You will also attend a residents’ meeting where the community has an opportunity to meet you. Application packets are available in the office.

My committee members and I are more than happy to assist in any way we can. We are looking forward to meeting potential candidates.

Thank you.

## **LIBRARY**

*Janet Pedersen*

Hello again, Lions Head South Neighbors.

Are you tired of the same old menu at home? Are you looking for some new and delicious dinners and/or appetizers and desserts? Thanks to the extremely generous donation from one of our most valued residents, the LHS Lending Library now may have a possible solution. On the far-left lower shelf on the fireplace wall you can now find a varied and extensive collection of **cookbooks** for your use. These cookbooks are in excellent condition and contain a plethora of scrumptious recipes for you to try and enjoy. And as always, these books can be borrowed at any time without the need to sign anything out. We only ask that all items are returned in a timely manner and in the same condition they were taken.

As a suggestion, copies of recipes from these books can be made in the "pool table" room on the xerox machine for only 5 cents per copy, or a snapshot from your cellphone will also work so there won't be any need to carry the books home.

Thanks again to all who use and donate to our wonderful Lions Head South Library and to those residents who help to maintain its offerings.

Enjoy the remainder of the summer here in our wonderful community!

## **TRAVEL COMITTEE**

*Dee Kropiewnicki*

The Travel Committee hopes everyone enjoyed the summer. We have had great success with the trips we have been on.

We are now selling tickets for the Atlantic City trip to Resorts on September 30th. The interest sheet for the holiday show, White Christmas, at the Surflight, on December 6th is on the board.

We also have exciting news, the information for the cruise on September 15, 2023 is also on the bulletin board. Hope to have a great response to all the trips listed.

Thank you for your support.

## **LHS WOMEN'S CLUB**

*Clara Ciuffo-Clarke*

Our July meeting was lovely. Thank you to the members and, especially, the new members who attended even though they had to bring their own lunch! Everyone seemed to enjoy just having a social time in a cool atmosphere with lovely friends, and some new ones. Thank you to the Hospitality committee for supporting our efforts each and every month and providing the desserts and hot beverages. They spend a great deal of time and effort to come early, decorate the tables and make sure everything is ready for the attendees. Linda Parlock, Chairperson, is to be commended for her organization.

The August meeting is just around the corner, and I have not yet heard from the florist regarding the prices of the mums for our annual fundraiser as of this date, August 2nd. But I must get this article to the Pride publisher NOW. Just be prepared for the time we can begin. Hopefully, I will get volunteers signed up at this meeting, for sales and distribution. We will follow the same format as last year because it worked very well: "If it ain't broke, don't fix it!"

Our September meeting will be held on Sept. 17th with lunch provided! Check the bulletin board in the clubhouse as well as the website for more information, please. Robo calls will be going out with more up-to-date info as I receive it.

Be safe, stay cool and I look forward to seeing you each month.

My email account is [claraciuffo@gmail.com](mailto:claraciuffo@gmail.com) and my phone numbers are in the LHS Directory. I am waiting to hear from you.

## **MEET YOUR NEIGHBOR**

*Maryellen Klotz*

Each month in the Pride, we have been featuring one or two articles introducing original residents from our community. While we have a few more to interview, it was suggested that we continue and branch out to find out more about our current residents. Therefore, if you would like to participate or have a neighbor you think would like to be interviewed, please contact us. It would be a wonderful way to find out more about our "family" here at Lions Head South. You will find my number in the Lions Head South phone book.

## THE RECIPE BOX

Sue Auer

SEPTEMBER was originally the 7th month (from Latin) "SEPTEM", meaning #7, based on the Roman calendar. There are many **HOLIDAYS** and **FUN DAYS** that are celebrated in September, as well as every month! **Labor Day**, the first Monday of September, best known as the official end of summer, began in the 19th century honoring the achievements of our country's workers!

The **FUN DAYS** authentic calendar was created by a team of businessmen for many reasons, including family socializing and the gathering of friends. In the meantime, copycats built website calendars of **UNOFFICIAL FUN DAYS!**

Early posting on the **UNOFFICIAL FUN DAY** list for September is the 4th is a **SILLY** day called "**EAT AN EXTRA DESSERT DAY**". And the extra dessert for our recipe box was offered by Sandy Wood...it's worth a second dessert for the day!

### ITALIAN CHEESE CAKE

#### Ingredients:

3 lbs. Ricotta - placed in a large bowl  
6 eggs - beat in one at a time  
1 1/4 cups sugar  
1 tsp vanilla

**Combine the following three ingredients in a separate bowl, mix well then add to the above:**

2 tbsp melted butter  
1 pint of sour cream

-Bake 1 hour (DO NOT OPEN OVEN) in a pre-heated oven 375\* until brown on top.

-(LOOK THROUGH WINDOW - DO NOT OPEN OVEN).

-Use a 10" spring pan.

-LEAVE IN OVEN TO COOL OVERNIGHT OR FOR SEVERAL HOURS.

-Just before you're ready to serve, you can add different fruit pie filling on top: CHERRY, BLUEBERRY, STRAWBERRY, etc.

The **OFFICIAL FUNDAY** calendar posted for Sept. 14th is "**EAT A HOAGIE DAY!**"

You may want to STOP at "JERSEY MIKES" - if not BUILD your own Hoagie!

This is one of my favorites:

#### Ingredients:

-Base of Hoagie (or you may call it a SUB): Pick your favorite roll that resembles a submarine.

-Always ask for thinly sliced: Tavern Ham, Genoa Salami, Pepperoni

-Layer on fresh Jersey tomatoes, roasted red peppers, or vinegar peppers, hot or sweet, shredded lettuce & thin

slices of fresh mozzarella.

-OPTIONAL: A sprinkle of EVOO/VINEGAR.

The **OFFICIAL FUNDAY** calendar also posts Sept. 26th as "**NATIONAL PANCAKE DAY**" !HERE'S a GREAT SUGGESTION FROM Lisa Wood!

Use any pancake recipe. Instead of using any water or any milk, use SELTZER for light & fluffy cakes.

**Ingredients:** A SIMPLE, SINFULLY & SATISFYING CAKE!

1 1/2 cup all-purpose flour  
1 tbsp baking powder  
2 tbsp granulated sugar  
1 1/4 cup SELTZER (in place of milk product)  
4 tbsp unsalted butter  
1 egg  
1 tsp vanilla  
1/2 tsp salt

-WHISK all ingredients in a mixing bowl.

-Preheat a flat grill & LIGHTLY spray with PAM.

-Pour a ladle of mixture onto the grill to crate the cake; flip when bubbles begin.

-OPTIONAL add-ins always add a layer of flavor: Berries, Bananas, Chocolate Chips.

Wishing everyone a beautiful ending of summer & a colorful change of season. Please send your ideas & recipes to: Sue A. at [sauer1948@hotmail.com](mailto:sauer1948@hotmail.com).

# SPOTTED LANTERNFLY

One of our residents saw one of these bugs on our golf course recently. He went to the trouble of finding the attached article. We all need to be aware of these harmful bugs.

**SPOTTED LANTERNFLY INFORMATION AVAILABLE AT  
[WWW.BADBUG.NJ.GOV](http://WWW.BADBUG.NJ.GOV)**

## IMMEDIATE RELEASE

June 9, 2022

[www.nj.gov/agriculture](http://www.nj.gov/agriculture)

PO Box 330

Trenton, New Jersey 08625-0330

(TRENTON) – The New Jersey Department of Agriculture is encouraging residents and business owners to go to [www.badbug.nj.gov](http://www.badbug.nj.gov) to find information that can assist them in learning how to fight the spotted lanternfly. The webpage includes a timeline for the stages of growth for the insect as well as treatment options.

The spotted lanternfly is currently in the nymph stage, where it is tiny and black with white dots but will soon advance to its next stage and become red with white dots. The bug reaches full maturity in mid-to-late August, when it begins laying egg masses that will hatch next spring. The NJDA continues to ask residents to stomp on or destroy the spotted lanternfly whenever possible.

“The more of these that we can eliminate before they mature, means fewer will reach adulthood,” NJDA Secretary Douglas H. Fisher said. “While we have crews that are working throughout the state to reduce the spotted lanternfly population, everyone can join the fight against this invasive pest.”

Along with the treatment options listed at [www.badbug.nj.gov](http://www.badbug.nj.gov), residents can also use businesses that are licensed pesticide applicators to provide treatments to kill the spotted lanternfly. However, if residents do choose an over-the-counter treatment option, they should carefully follow directions on the product when applying it.

While the spotted lanternfly does not harm humans or animals, it can feed on about 70 different types of vegetation or trees. The pest’s preferred host is the Tree of Heaven, an invasive plant that has been in the United States for decades. The spotted lanternfly is native to Asia and was first found in the U.S. in Berks County, Pa., in 2014. It is considered a plant hopper and can fly only a few feet at a time. However, the spotted lanternfly is an excellent hitchhiker and can travel on almost any kind of transportation for several miles, even in its nymph stages, which has allowed it to spread to several states.

**Continued on page 23**

**SPOTTED LANTERNFLY continued from page 22**

The Department is also asking for people to check their vehicles before leaving an area to make sure the pest is not coming along for the ride. The NJDA has a checklist of items and places on where to look for the spotted lanternfly before leaving an area here. The checklist serves to inform the public about the spotted lanternfly, including how to identify all life stages of the insect and minimize its movement.
