PRESIDENT'S MESSAGE

John Cinosky

November is almost here and although some of our residents are still coming down with COVID, we seem to be coming out of the woods with this stupid and unnecessary virus. Good health to all.

Moving on, pool construction is on schedule and starting to take shape.

By way of clarification, even though the current board members are running un-opposed, we are legally obligated to mail out ballots, uugh! This is due to the Radburn Bill which stipulates we do so in case someone wants to write-in a candidate. uugh again!

With Election Day approaching, keep in mind elections have consequences. Stupid politicians come in all shapes and sizes, so investigate who you are voting for.

The R or the D after someone's name doesn't mean they're the right choice. Choose wisely!

But you should vote! Please!

Other than that it's been very quiet here.

Also, we have had approximately 40 house sales so far this year and judging from the sales prices we are definitely living in the right community.

God bless you all!

EDITORIAL

Carol Powell

I'm sitting here on a beautiful Sunday morning in early October trying to decide what to write for the November edition of the Pride! Almost always a challenge! There is, of course, Thanksgiving, the gateway to the holiday season.

The other holiday that so often gets minimal attention is Veterans Day. Did you know that Veterans Day was first observed in 1919. It was called Armistice Day and it celebrated the end of World War I, which officially ended on the 11th hour of the 11th day in the 11th month. No, I did not know that I looked up the subject of Veterans Day and found it, but I thought it was an interesting fact. Today it is, of course, a federal holiday honoring all veterans, and all who made the ultimate sacrifice, from all our armed forces. So, before we go completely into holiday mode, let's take a minute and remember our veterans.

Hope the history lesson made you smile as the 11th thing certainly got a grin from me. Enjoy your Thanksgiving, I hope you are able to spend it with family and friends. As always, stay safe and most importantly, stay well.

GARDEN CLUB

Submitted by Clare Mathiasen

November comes
And November goes,
With the last red berries
And the first white snows.

With night coming early
And dawn coming late,
And ice on the bucket
And frost by the gate.

The fires burns
And the kettle sings,
And earth sinks to rest
Until next spring.

By Elizabeth Coatsworth

This time of year is slowdown time for the Garden Club. November is our last meeting of the year, and our final chore is holiday decorating immediately after Thanksgiving. I must commend our members for their dedication, innovation and the tireless work exhibited by each and every one of them. They are a fine group indeed!

Now, in November, our area is deeper into fall and nature is winding down. However, there are still things to do in the garden. From planting those bulbs you still have in the garage to decorating for the holidays, November can be surprisingly busy with:

- Winterizing your hoses
- Add organic matter to the garden
- Bring in garden tools for the winter. Clean, sharpen and oil them first
- Keep removing weeds
- Keep watering until the ground freezes
- In Zone 7 (that's us) plant spring bulbs

The Farmers' Almanac predicts: "Snowfall will be above normal across most snow-prone areas." So....

.... Wrap young evergreens in burlap to protect from the extreme winter.

.... Apply protective mulches on the perennial garden after the ground has frozen an inch or two.

....Cover empty beds with straw or shredded leaves to keep weeds from growing.

....Scrub and disinfect flowerpots from debris, soaking with mild bleach-water solution and rinsing.

....Add mulch to flower and bulb beds after the ground freezes to help prevent winter damage.

....Give all trees and shrubs plenty of water before the ground freezes.

....To protect tender perennials from harsh winter weather, place a wooden frame around plants after the ground has frozen and fill with leaves.

....Bring in garden furniture or cover if you have not already done so.

Phew! A lot of work!

The Garden Club membership sign-up sheet for 2024 is posted in the Clubhouse hallway this month. If you miss signing up, then make a note to join us at our first 2024 meeting which is March 13th. Happy to have you join.

First...Happy Holidays to all! As previously mentioned, I like to encourage our volunteers to write messages for the Pride. So, here's one from Bob Jani, VP in charge of the course:

"Walking on the course today I've noticed the fairways have made a tremendous improvement. The Kylinga (a weed for the uninitiated botanists out there) have turned brown, died and the grass around them are coming back. The bunkers have been raked and are weed free. The fringes of the fairways have been weed whacked and leaves have been blown back in the woods. Holes 1, 3 and 9 are in good shape; holes 5, 6, and 7 are showing seasonal, weather related, spots and crabgrass; holes 4 and 8 need the most attention. The practice putting green is in great shape and the best I've ever seen it. Kudos!"

We are making progress (as noted above) and Brightview has been diligent in communicating all their activities. By now you all have heard of the sink hole problem on hole 2 tee. It was about 6 feet across and 3 feet deep. When I notified the team (Brightview, TurfMaster and Federal Irrigation) were on it and it was repaired in one day. I was told the "leak" was 300 gallons an hour!!!

The annual Brian Halm tournament was a great suc-

cess for your club and - as I have mentioned before - the product of our TEAM!

The Fall season has been creatively and artistically designed by Pat Whyte, Joe Bill and Bob Jani as you can see from the accompanied pictures. Thanks to them and thanks to all out there who support our commitment to LHCC.

STANDING COMMITTEE SIGN UPS

Sign up sheets for the 2024 committees will be posted on November 1st in the Clubhouse hallway and will be taken down on November 17th by 12 noon. We urge you to consider signing up for one or two committees. **You must sign up every year** to be on a committee; you are not automatically on a committee year after year. Standing Committees form the backbone of Lions Head South. These volunteers make recommendations to the Trustees and keep them informed on a multitude of issues.

LIBRARY

Janet Pedersen

Hello, Lions Head South Neighbors.

With Thanksgiving just around the corner, are you looking for some new and delicious dinners and/or appetizers and desserts to try during the holidays this year? Thanks to extremely generous donations from our residents, the LHS Lending Library may have possible solutions. On the far left lower shelf on the fireplace wall in the clubhouse you can find a varied and extensive collection of **cookbooks** for your use.

These cookbooks are in excellent condition and contain a plethora of scrumptious recipes for you to try and enjoy. And as always, these books can be borrowed at any time without the need to sign anything out. We only ask that all items are returned in a timely manner and in the same condition they were taken.

However, if you would prefer not to have to carry these books home, as a suggestion copies of recipes from these books can be made in the "pool table" room on the xerox machine for only 5 cents per copy, or a snapshot from your cellphone will also work as an easy method to carry these recipes home with you for future use.

So please take advantage of this opportunity and enjoy the upcoming holidays to the fullest!

Barbara Skelly

I am a current Trustee for Lions Head South and have been on the Board for 4 years. During that time, I have served in the capacity of President, Vice President, and Secretary. Currently I am the liaison to both the Architectural and Website Committees.

This past year, I have been responsible for coordinating the updating of our By-Laws, Rules and Regulations and Architectural Guidelines. Since moving here in 2007, I have also been Chairperson of the Community Awareness Committee and served as President of the Singles Club for 7 years.

Originally from Clifton, I have been visiting the Jersey shore since I was 7 and eventually moved to Ocean County in 1972. So, even though I have lived here most of my life, I am still considered a "Bennie".

Career wise, I was a fifth-grade elementary school teacher, I worked in Human Resources and advanced to a Regional Human Resources Manager for PATHMARK Supermarkets, I owned my own recruitment company and for the last 17 years of my career, I worked for a non-profit human Tissue Bank. I have always felt comfortable in trying new things and have not been afraid to ignore the mentality of "that's the way we always did it". To move ahead, we need to move away from this hindrance.

With the 40th Anniversary celebration, the Trustees vision was to look toward the next 40 years. It would be my goal to continue this vision by improving our facilities, our computer systems and the services and activities available to the Community. As I seek re-election, I hope that you will support me in this goal for the future.

I hope to see you and meet you at a future Resident meeting. Have a great year!

John Cinoski

Ann the love of my life and wife of 58 years and I have been here at LHS for 8 ½ years. I recommend this community only to people I like.

Since here, I started on the Architectural Committee, then became its' chairman.

Then served on the Board of Trustees as Treasurer for the next four years.

2021 I served as Finance & Insurance Chairman, 2022 as BOT Vice President and this year as BOT President.

Since 2016 I have served as a Court appointed Special Advocate for abused and neglected children. (An extremely rewarding endeavor).

I have coached youth sports, both boys and girls, for over 25 years. Also very rewarding. It's great to see the world through kids eyes.

Professionally I was a licensed stock analyst and insurance broker, a business consultant for 20 years, a compliance officer for a company coming out of bankruptcy (the largest at the time) and I also owned a deli with my son for several years.

At this stage of my life I am the happiest when I am with any or all of my five grandchildren.

Kathleen Wright

I, Kathleen Wright, am seeking your vote of approval to allow me to continue to serve on the Board of Trustees for the next two years. I have a history as a member of the Board during my 18 years as a resident of LHS and have served as Vice President, Secretary and

assisted on the Personnel Committee. I have continued to be involved in our community, and I feel led to continue to play an integral part in overseeing the LHS Association, and helping to guide our future community endeavors. I have a little knowledge of a lot of things, and often act as "the voice of reason."

Bill and I moved to New Jersey 30 years ago—we started our life together as college students in California. LHS has been my home since March of 2005. In an attempt to make friends, I joined the Lionettes, and in 2006 acted as President for 4 years. After more than 10 years as Editor of the Pride, I'm continuing on as a member of the Editorial Review Board. During my years as editor, we moved from running our own business ads and supporting printing costs, etc., to joining Senior Publishing, the current publishers.

Besides raising a family, I was employed as a Dental Office Manager, and have always been active as a volunteer. One of my passions is singing in a large competitive, women's barber-shop chorus in Freehold, NJ. I have held several leadership roles both in chorus and regionally, and we continued to progress even during the pandemic.

SOCIAL COMMITTEE

Lee Bruzaitis

Christmas Car Parade

Mark your calendar for our Christmas Car Parade around LHS on Sunday Dec. 10 at 5 p.m. We are looking for residents to decorate their cars or trucks to bring some holiday cheer to our neighbors. A sign-up sheet will be posted on the Social bulletin board in late November or you may contact Maureen Benesch.

What Does the Social Committee Do?

The Social Committee plans parties and other events for the community. Our committee plans about six parties or entertainment events each year for the enjoyment of our residents. We don't receive any funds from the association - the price of your ticket pays for everything. That includes food, beverage, entertainment/DJ, tablecloths, paper products and utensils, decorations, prizes, and any other supplies needed. What we don't do: the monthly pool parties (that's Recreation), bingo (that's for the other clubs to do as fundraisers), and trips (that's Travel).

Please consider joining us! Jobs include planning events, booking caterers and entertainment, decorations, selling tickets, and helping with setup and cleanup on the day of the events. We usually meet on the last Tuesday of the month at 3:00 p.m. but we can be flexible if you can't make it then.

New Year's Eve Party

Join us in the Lion's Den to ring in the New Year on Sunday, Dec. 31 from 8-12:30 p.m. This will be a simple BYOB event with music, coffee and dessert for \$5 per person.

Website

Please check our website at www.lionsheadso.com/social for more details about our committee and our events. We also have some great pictures and videos from past events.

WOMEN'S CLUB

Mardell Halm & Carol Powell

The Lions Head South Women's Club will hold their annual holiday luncheon on December 14th at Café Italia on Route 37 in Toms River. This is a short drive but we will car pool for anyone who may prefer not to drive to Route 37. As of this writing, we are finalizing the details which will, of course, be available by our November meeting as we expect tickets to be available by that date.

Please note that although Mardell and I have enjoyed co-chairing this past year we both have difficult schedules, and our availability is limited. We were unable to find anyone to act as Secretary for the Club, nor could we find an Event Planner(s). As a result, we both did double duty all year.

For those who have not tried the Women's Club, please come to a meeting and see what we're about. If you don't think we're your cup of tea, please don't hesitate to offer suggestions. We love to try new things. Our Executive Board works hard to try to ensure a good time for all our members at each meeting. Volunteers are needed.

Wishing all a very Happy Thanksgiving.

MEN'S CLUB

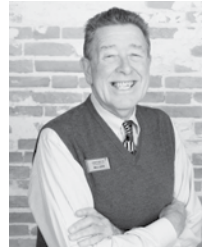

Bob Pederson

Well, the year is almost over and the men's club has survived, but just barely. I need to thank all those members that stepped up to run the bagels and bingo event in October. Thanks to Joe Bill for recruiting all the help. It takes a lot of hands to run any event and you all did a great job. The election of officers for 2024 is fast approaching and we are looking for a Secretary. Any member willing to take this position, please let Joe Bill know as soon as possible.

The tickets for the "Night at the Races" are on sale Mondays at \$38.00 PP and include all you can eat beefsteak dinner. This is a fun night. It is also a BYOB event. So, get a ticket and come root for your favorite "filly" or "stallion".

We will be taking reservations for the annual Christmas party at the American Legion Post 129 in Toms River. This event will be held on December 5th. THE RECIPE BOX

Sue Auer

NOVEMBER - MONTH #11 ... & THE BEGINNING OF THE HOLIDAY SEASON!

It's been noted that Thanksgiving Day has the most food on the dinner table! AND, always the most leftovers.

Using WAFFLES, the leftovers can be turned into quick, easy & yummy dinners!

Touching on some WAFFLE HISTORY:

Late in the 14th/15th century, Ancient Greeks made a cake called OBLEIOS, meaning ... cooked between 2 hot metal plates. Sometime in the 15th century, the Dutch developed rectangular plates with grids much like the iron's of today. In Mid 19th century, waffles became an attractive party favorite.

THE BASIC WAFFLE RECIPE ... flour, milk or water, eggs. The batter can be enhanced with spices such as cinnamon, ginger, vanilla ... AND sometimes butter, honey or cream can make their way into the mix.

Suggestions for the November BOX were provided by friends & family of LHS!

Waffle Stuffing Batter

Ingredients:

3 - 4 cups of leftover stuffing
2 large eggs
1/4 - 1/2 cup of chicken broth

Directions:

1. Preheat waffle maker & grease with a spray for non-stick.

2. In a large bowl stir leftover stuffing, 2 eggs & 1/4 cup of chicken broth (add more broth as needed to keep mixture moist).

3. Place a large spoon of the mixture onto the preheated waffle machine to cover the base completely. (the stuffing mixture will not spread) cook until golden brown & crispy.

4. Repeat until all the mixture is used. Should make approximately 3- 4 waffles.

Sweet Potato Waffle Batter - GLUTEN FREE

Ingredients:

2 - 3 mashed Sweet Potatoes - LEFT OVER POTATOES

dry Ingredients:

2 cups rolled oats
2 tsp. baking powder
1/2 tsp salt
1 tsp cinnamon
1/2 tsp nutmeg
1/4 tsp ground ginger

wet ingredients

1 1/4 cups of buttermilk

2 eggs

1 tsp vanilla extract

Directions:

STEP 1. In a blender, place all dry ingredients & blend well until oats are broken down. When complete place in a bowl & set aside.

STEP 2. In blender, place all wet ingredients & mashed sweet potatoes. Blend well.

STEP 3. ADD 1/2 dry ingredients to the (wet) in blender. REPEAT & complete ... until all blended together well.

STEP 4. Preheat & grease waffle maker. Pour 1/2 cup of batter into machine & cook until golden.

***** Both waffles can be served with Sliced Turkey & gravy, Creamed Turkey, butter, syrup or topping of choice.... with cranberry sauce on the side.

BELOW IS A REPEAT FROM A PREVIOUS RECIPE BOX, BECAUSE THEY ARE "AWESOME" - you may have missed this entry given by Sandy Wood!

Pumpkin Swirl Cream Cheese Muffins

Ingredients:

2 lg eggs
1/2 cup vegetable oil
15 ozs. pumpkin puree
1 cup granulated sugar
1 3/4 cup all-purpose flour
2 tsp pumpkin spice
1/2 tsp vanilla extract
1 tsp baking soda
1/2 tsp Kosher salt
8 ozs. cream cheese
1/2 cup confectioners' sugar (10X)

OPTIONAL add ins ... 1/2 cup cranberries, 1/2 cup chopped walnuts

Directions:

1. Preheat oven to 375* spray muffin tin.
2. In a lg. bowl beat eggs, veggie oil, vanilla extract, pumpkin puree, granulated sugar.

3. ADD to bowl > flour, pumpkin spice, baking soda & salt .. stir with spatula until combined. If any OPTIONS are chosen.. add in at this point.

4. Fill each muffin cup 3/4 with mixture.

5. In a large bowl, beat cream cheese until smooth... adding 10X sugar.

6. Top each muffin with 1 tbsp of cream cheese mixture, use toothpick to swirl.

7. Bake 18 - 20 mins. insert toothpick to check for completed baking. Ok if a bit of cake shows on the toothpick. Baking completed.

Wishing everyone and their family at LHS a wonderful Thanksgiving Day!

Send recipes to my email > sauer1948@hotmail.com... OR printed and place in the ORANGE FOLDER at the Clubhouse mailroom. Thank you

PRIORITY FOR DRIVEWAY SNOW REMOVAL

As we approach another winter season, we again find it necessary to clarify who qualifies for the Priority Snow Removal list for 2023-2024 winter season. A new request is required every season.

For those who qualify, please submit your request to assure that you will be placed on the priority list. To qualify, a resident must require regular life-sustaining medical treatment, such as chemotherapy, radiation, or dialysis in or outside the home.

A "heart condition" does not qualify. Your request must be accompanied by a **physician script/note** which specifies that life-sustaining treatment for any of the conditions outlined above is necessary. Hand written notes are unacceptable. All information will be kept by the administrator and will be confidential.

For convenience purposes, your doctor may fax this information to our office. Our fax number is 732-920-2650. Please be assured this information will be kept strictly confidential. Placement on the Priority Snow List cannot be accomplished until we receive the necessary documentation from your physician.

Your need to go to work does not qualify for priority snow removal. For this purpose, we suggest you make advance arrangements with a private contractor for snow removal.

The township will cooperate by plowing our roads so that our contractor can begin work. Of course, the town will continue to respond to any serious problems during storms.

ALWAYS CALL

911 FOR ANY MEDICAL EMERGENCY

Please be sure to keep on hand extra supplies of medications and food so that you do not need to leave the house during or immediately after a snowstorm. The weather predications generally provide ample warning time for making preparations.

For convenience purposes, your doctor may fax this information to our office. Our fax number is 732-920-2650. Please be assured this information will be kept strictly confidential. Placement on the Priority Snow List cannot be accomplished until we receive the necessary documentation from your physician.

Please respond as soon as possible as the winter season will be here soon.
