## PRESIDENT'S MESSAGE

*Barbara Skelly*

Happy July!

Well, we certainly had a busy month last month, and so much centered around the 40th Anniversary Party. This party had been in the planning stages for two years and it involved dozens of people to make everything come together. First of all, Peggy Comfort, thank you for taking on this additional responsibility. A lot of things had to be coordinated and I know your folder of TO DO things kept everything in motion. Over the last two years, we have had a large group of dedicated people who worked hard to make this a reality. To each and everyone one of you, thank you so much. I hope all had a good time, enjoyed the food and dancing, and won one of the raffles! We were also able to deliver over 20 meals to our homebound residents with the help of Greg Sternberg and our Circle of Friends. We hope these residents enjoyed this special service. And most of all, we hope that everyone enjoyed this community-wide event that gave everyone a chance to spend time with their friends and neighbors.

Summer at the pool has started slowly but DJ Louie kept everyone dancing to the music at our first Sunday with a DJ. There are several additional Sundays planned with music, so watch your calendars for the information and plan to attend. Enjoy the pool. The water is warm and the pool looks great!

Speaking of the pool, the Board has put together a committee to determine next steps with the pool. We are currently identifying vendors who might be able to accomplish what needs to be done, which will probably mean a new pool. This pool is 40 years old and its age is

showing. We have managed to patch it as needed, but it is probably at a point that this will no longer work. Each year, there has been discussion about what needs to be done. Well, now we have to do something more than talk. Obviously a pool is a major expense, but we have money in our Capital Account that is meant for expenditures such as this and should cover this expense. An expenditure of this size will require the approval of the Community. As we work with vendors that are capable of this major project, we will keep you up to date. The pool is an important part of our Community - and has a big effect on our property values. We need to do the right thing for the future of Lions Head South.

The Board of Trustees and the Committees have also been busy reviewing our existing Rules and Regulations. The plan is to have updated Rules and Regulations, including revised Architectural requirements for the beginning of next year. More information will follow as we work through this task. Thank you everyone for the extra time that you spent on this project.

The Board continues to deal with questions, problems and issues. It is our goal to keep things flowing smoothly, keep our Community safe and beautiful and be proactive to issues that affect the Community. With your help, we can all make this happen.

And so it goes. Please have a happy and safe 4th of July. Enjoy the warm weather - we certainly waited long enough for it. It gives us all a chance to get out and "smell the roses"! Enjoy!

## EDITORIAL

*Carol Powell*

By the time you read this the long awaited 40th Anniversary celebration will have become part of the history of this wonderful community and summer activities will be in full swing, starting of course, with the Fourth of July! Happy Birthday USA!

Please keep in mind that we would enjoy keeping some of the "40th" articles going. "Through the Years", stories from our past, is always fun to read. Recipes, old or new, are always welcome. Revising the "Pet Corner" or a "Get to Know Your Neighbor" would be fun. We continually look for new ideas and Linda and I would be happy to work with anyone who is interested in contributing.

Walking around the community, or driving for that matter, provides an opportunity to enjoy the beautiful landscaping and flowers so many of our residents seem to enjoy caring for each year. Not being much of a gardener myself, I am in awe of those who are. I put a couple of simple flowers in a pot or two each year but that's as far

as I go. So please accept a big personal thank you to all of the "green thumbs" out there. A special nod to the Garden Club members who take the time to ensure that our common areas are as pretty as so many of our homes. You all help make that healthy walk around the community a pleasure.

Although June marked the midpoint of the year, let's not rush through the opportunities to enjoy the outdoors and each other's company. Although I look forward to the fall and the beautiful autumn colors and temperatures, I am in no hurry to get there. I recently experienced a mild case of COVID. It actually made me feel grateful that it happened now and not two years ago. We have come such a long way in preventing and treating this horrible disease that cost so many so dearly. The experience served to remind me that we all need to occasionally be reminded to focus on today more and remember that tomorrow is never promised.

So, stay safe and most important, stay well. More next month!!!!

Now it's your chance to step-up and help your community.

## GARDEN CLUB

*Carmela Ferraro*

We hope you have been enjoying our work in the community. Our club has been in full swing as our plantings have been done in time for the opening of our pool. Our watering team is in place and you may see them out and about maintaining our plantings. The Garden Club meets monthly with the exception of December, January and February but as you can see we are very busy all other months with our planning and garden work.

As many of you plant your own gardens and pots, the month of July is when you should be checking your containers and hanging baskets daily for water needs. Try to water early in the morning when little water is lost to evaporation. Soaker hoses reduce water use by 25-50%. Pinch back leggy basket plants. Apply a slow release fertilizer to encourage annuals to continue blooming. Temperatures above 86 degrees will create stress in most plants. Check for insect damage at this time as well.

And speaking of insects, who hasn't noticed the numerous ant hills in every crack in the sidewalk and in our lawns as well?

Believe it or not, ants are a very important part of the ecosystem of the garden. Ants tunneling in the ground help to aerate the soil to allow moisture and oxygen to get to plant roots. They also speed up the decomposition of decaying plant matter which further helps to fertilize plants. Common species of ants feed on moth eggs and larvae. Gardeners who promote biodiversity and introduce beneficial insects can reduce the number of garden pests naturally.

If you aren't sold on the good qualities of ants and would still like to rid your property of them, consider the following:

A mixture of borax and sugar is an effective way to control ants in the garden. Mix half a cup of sugar and one and a half tablespoons of borax with one and a half cups of warm water. Soak cotton balls in the sugary ant bait and put them where ants are in your garden.

You could try using cornmeal to bait and kill ants in your garden. For cornmeal to be an effective ant bait, you should mix it with borax. Mix nine parts boric acid and one part of cornmeal. Add some vegetable oil to make a smooth paste. Put in a plastic bottle, punch some holes, and place it where you see ant activity. Soon your bottle will be full of dead ants.

Vinegar is another way to eliminate ant infestations from your garden. Combine equal parts of white vinegar and water and fill a spray bottle. You can spray the vinegar solution directly on ants to kill them on contact. Unfortunately, trying to rid your garden of ants by spraying them can be very time-consuming and, ultimately, ineffective.

Pouring boiling water directly on ant nests will kill most of the ants in the colony. If you notice an ant hill, you should rake the soil away. Then pour plenty of boiling water into the nest. Hopefully, you can kill most of the ants, including the queen. Of course, you should be careful handling boiling water.

There are a few things to keep in mind when using boiling water to kill ants:

- Don't use boiling water to get rid of ants in lawns as you will scorch the grass. You can try using copious amounts of cold water to disrupt the ants' habitat.
- Boiling water may not effectively eradicate ants from yards if the nest is under a paving slab.

As always, we encourage interested residents to join us on the second Wednesday of each month in the clubhouse at 10:30 a.m. By the time you read this, we will have already enjoyed our spring luncheon at Manera's. So, as you can see, we have some fun in addition to our work!

# COUNTRY CLUB

*Jim Mort*

It seems fitting at this time of year when we are celebrating America's freedom on July 4th that we take the time to honor those who have actively served their country in time of war. By chance Helga Rolick wanted to know if we could put to use the flag that covered her husband's casket when he died 13 years ago. He, John Joseph Rolick, served in the US Navy from 1943 to 1946 and participated in the liberation of the Philippines. Helga wanted to have the flag flown in commemoration of him and his service to his country. The flag will be flown at the LHCC over the July 4th weekend. Our appreciation to Helga and her family for this heart felt donation in remembrance of her husband.

For the fourth month in a row we have had another hole-in-one scored. This time it was during the Hole-In-One Program time frame and will qualify for part of, or all of the more than \$600.00 up for grabs. The hole in one was scored by Bob Jani, LHN, on the third hole. This is one of the more difficult holes to get a hole in one as it is approximately 165 yards long over a sand trap. Congratulations Bob, now you can start working on the next one. The Hole-In-One Program runs from May through October and there is plenty of time for more holes in one and any/all holes in one scored by participants in the program will equally share the pot.

The June 14th Scramble results have been posted to the LHS Website and the LHCC bulletin board. The next Scramble is scheduled for Tuesday, July 12th and sign-up sheets are posted to the LHCC bulletin boards as well as the Starter area. A continental breakfast and a light lunch are served with the Scramble which is hosted by Shorrock Gardens. The Scrambles are a monthly event put on for the enjoyment of the LHCC members. Participate, be part of the program, it is put on for you. Thank you to Bill Begley, Jack Cummings, Ed Bischoff, Pat Whyte, Dennis Raftery and Marcene Talty for your time and effort in setting up the scramble.

During the May 10th Scramble one of our golfers passed out on the seventh hole. Luckily Dennis Raftery, LHN, had his cell phone and the correct emergency number on speed dial. While the EMT's were not all that quick in getting to the scene, they got there and took the fallen golfer to the hospital. We all should ensure that we have our cell phones with us when golfing and the proper emergency number listed. The emergency number 732-262-1100 should be on your speed dial. This number goes directly to Brick Police Department and they have a schematic of our golf course and will get help to you quickly. Using 911, while on the golf course, could delay that help as the 911 is relayed from the county to the BPD. This direct calling

should only be used on the golf course. From your home continue to use the 911 system in any emergency.

Additional information on the June 16th Memorial Golf Outing Fundraiser is available on the LHS Website. We had approximately 100 participants in the golf outing and cookout. It was a great success and we appreciate ever so much the support we received from our community and the volunteers that put it all together.

During the past month we learned just how much time and effort Pat Whyte puts into the flowers that are neatly planted throughout the golf course. She was on vacation for a week and we quickly discovered that there was more to the flower maintenance than we anticipated. It was a lesson well learned and we hope out of it came an easier solution to the flower maintenance.

The first drawing for the 20/20 Raffle was held Thursday, June 2nd and the drawings will continue each Thursday for 19 weeks. The last drawing will be for a total of \$1,050.00. It is not too late to participate and tickets can be purchased at the LHCC.

The General Membership meeting was held on June 20th and the minutes of the meeting have been posted to the LHS Website and the LHCC bulletin board.

The Free Golf Clinic was, as usual, a great success. Brian Halm and Joe Bill set up, organized and provided the golfing instructions that will assist any beginner in getting started on golfing. Appreciate all the time and effort put into this program every year by Brian and Joe.

The next Directors meeting is scheduled for after the Scramble on July 12th.

## Events for July 2022

- WGA Meeting Wednesday July 6th 11:00AM
- Scramble Tuesday July 12th 9:00AM
- Board of Director Tuesday July 12th 11:00AM

We lost another golfer this past week, Ed Kraft passed away on May 27th. Ed started helping out with the LHCC scrambles, got interested in golfing as a past time and won the Free Membership raffle for a free year of golf for 2022. He was one of the "good guys" and will be missed. Our heart felt condolences to his wife Diane and all of their family and friends.

## SECURITY COMMITTEE

Maryellen Klotz

Happy summer! With the warmer weather, just a few tips to keep residents and their homes safe:

**\*Keep the doors locked:** It's normal to let our guard down, especially when living in a safe neighborhood – but residents should remember that crime knows no bounds. All doors that lead outside should be locked at all times, day and night - even if you are inside watching TV or outside doing yard work.

**\*Shut the blinds whenever possible:** Many burglars will look through windows of homes they're interested in robbing. Cutting off their visibility into the home can discourage them from proceeding and also keeps your home cooler during those hot summer days.

**\*Don't advertise travel plans or if you are hospitalized:** Residents should do their best to keep any travel plans, whether short-term or extended, to themselves or just a few trusted people (e.g., neighbors and family). Talking about travel publicly or posting about it on social media is a no-no. Even bragging to the bank teller about travel plans should be avoided - you never know who is listening! Also, make sure to have your newspaper and

mail stopped or have a neighbor get them for you. Nothing tips off a burglar more than the owner is away, either on vacation or in the hospital than seeing multiple papers in a driveway or a full mailbox.

**\*Keep personal information in a safe place:** In the event that a home is broken into, the last thing you want is for the burglar to get ahold of personal information. Keep any passports, birth certificates, financial statements, and other sensitive documents in a locked safe or better yet, a safe deposit box.

## GENTLE REMINDERS

**That apply to residents and visitors alike:**

\*Dog waste **MUST** be picked up and disposed of properly (Town ordinance)

\*Cigarette butts are considered litter and need to be disposed of properly (Town ordinance)

\*Vehicles **CANNOT** block sidewalks (Town ordinance)

\*Vehicles need to be parked faced in the direction of traffic (Town ordinance)

\*No parking of vehicles on lawns (Community Rules/Regulations)

## TRAVEL COMMITTEE

Dee Kropiewnicki

The Travel Committee is working on finding exciting trips for the residents of Lions Head South to travel to and enjoy. Trips to the Atlantic City casinos are being planned. On December 6th we will be having a trip to the Surf Light theatre to see White Christmas. We are also looking into overnight trips and a possible cruise next year.

The trip to see the Drifters has been a success and no more tickets are available.

## SOCIAL COMMITTEE

Roberta Marvel

Summer greetings to all our LHS residents.

We are so happy to share with you all that we have had another successful event, "Moonlight in May" dance on May 21st. We had 97 of our residents that shared in having a fun filled evening that included good food, music, dancing and most of all, enjoying each other's company. We want to extend our gratitude to all our Social Committee members for their hard work to make this a wonderful evening for all. A special thanks to Angela Trevalis for the beautiful balloon display and to Mike Voto and George Bannon for the breath-taking rose centerpieces that both awed the room with a grand entrance.

We are all so excited about our next upcoming event. You will not want to miss this event. We hope you can all join us for the "Bob Scott" Game Show on July 9, 2022 from 6:00 p.m. to 10:00 p.m. at the LHS Clubhouse. Ticket sales begin on June 13, 2022 and will be available to purchase every Monday and Saturday through July 2nd from 9:30 a.m. to 11:00 a.m. at the clubhouse. Tickets are \$25.00 per person and include the show, assorted snacks, coffee, tea, water and dessert.

Please be sure to check out our LHS website for more details and updates on all fun filled events that are available to our residents.

We want to wish all our residents a very happy and safe July 4th.

## RECREATION

Marie Thomas

Happy July! We are looking forward to more great times with our Sunday Music at the Pool with DJ Louie. We have had so much fun! "Come out and Dance with us"! Our July date is July 31st. Stay tuned for more info on our August BBQ event to be held on August 28th at the Pool.

Would you like to learn to play pickle ball? Come learn or play every Tuesday, Thursday and Saturday, from 9:30 to 11:30am. This is non-league play.

**New Activity:** Please come join us for Game Night every Wednesday from 7 to 9pm at the pool. We have many games available to play and are always looking for more suggestions. This is a great way to meet your neighbors and make new friends. No swimming necessary!

There is still time to sign up for pool Aqua Zumba. Call me or look up information on the Website!

## LHS WOMEN'S CLUB

Clara Ciuffo-Clarke

The Women's Club has a total of 83 paid members to date. We are a happy social group and enjoy the company, smiles, laughs and exchange of news at each meeting, not to mention making new friends.

In June, we had a surprise Chef sent to us by Shorrock Nursing Home, complete with the how-to on Healthy meal preparation and a provided lunch. Thank you, Shorrock. This article is written prior to the luncheon date, so more next month on the outcome.

Our July meeting will be a "cool" one. Check our Bulletin Board in the clubhouse.

I have been in contact with the Nursery regarding MUMS for this year's sale, but will not have a price until after July 4th, but be prepared for another banner fall with the beautiful MUMS in late September.

Again, my thanks go out to the wonderful officers and chairpersons who give their all to make this club effective and enjoyable. We all need a social outlet and a helping hand, so please reach out to us for friendship. Don't be a shut in – if you need a ride to the clubhouse for a meeting, someone will gladly pick you up.

Be safe, stay cool and I look forward to seeing you each month.

My email account is still [claraciuffo@gmail.com](mailto:claraciuffo@gmail.com) and my home phone number is in the LHS Directory. I am waiting to hear from you.

## THROUGH THE YEARS

*Maryellen Klotz*

Meet Art Edwards, 198 Lions Head Blvd.

Art met his wife, Carol, when they worked together at Maplewood Bank and Trust Company. This was after Art (who grew up in Newark) was drafted into the Army, serving two years at Fort Rucker in Alabama from 1955-1957.

Carol's parents lived in Holiday City. They saw an ad in the paper for LHS and the age limit was 50 at the time. Art and Carol decided to take a ride, looked at models, liked the Hawthorne model and put \$100 down on a lot. With a \$30,000 down payment, (the final cost was \$97,000) they would visit Carol's parents each week and watch as the house was being built.

Art left the bank and worked in sales for several auto dealerships in Ocean County while Carol secured a position with Ocean First Bank as an internal auditor. After taking a family leave to care for Carol, who passed in September of 2019, Art then decided to retire. They had 34 wonderful years together and he was grateful for the time they shared in Lions Head South.

## THROUGH THE YEARS

*Laura Jacquin*

Don, my two daughters and I would take a ride to see my in-laws at Lions Head North when we started to notice the building of homes across the street in Lions Head South. We decided to go over and take a look since our girls were now looking to marry and leave us with a home in Middletown.

Looking at the homes, and both of us golfers, we knew there was something here for us. So, we signed up. After many weeks we got a letter saying they were putting in the last section and were having a lottery to pick lots. We, of course, wanted to be by the golf course. We were number 17 and got a lot behind the 4th hole. We sold our home in a few days and that's where it all began.

We were still working and commuting was something we were not familiar with but we got used to it. Eleven years later, in December of 1977, I retired. Don retired in June of 1998. I started playing golf, got the ceramics going and also enjoyed the crocheting group. I got involved with the Country Club and for eight years I did the bookkeeping for the then President, Bob Sotelo. I became President of the Women's Golf Association and ran several fundraisers, including sale of a cookbook comprised of recipes from our residents. I was also instrumental in procuring the Bingo system we now have. With Mary Manieri, we ran 2-3 bingos a year as fundraisers for the Country Club. I ran many other fundraisers, 3 Breast Cancer events and Nite Golf. I was on a roll and then decided to run Las Vegas Nite. The equipment was there, made by past residents. It was a big job, getting all of the workers, times scheduled, selling tickets, but we did not falter and did it a second year. Don was instrumental in working with the Country Club and encouraging me in whatever I was doing.

Through the years I worked on all of the committees. I achieved my goal of becoming a Trustee and enjoyed working with too many to name. Going back, I learned from the best, Grace Robertson, Jane LaDuke, Joan Leather. These ladies were my mentors. But alas and alack, age has caught up and after 6 years as a Trustee it was time to retire. It has been a good 35 years at Lions Head South.

I wish all of you can have the same experiences we did and keep Lions Head South the beautiful community it was for us.

## THE RECIPE BOX

Sue Auer

### “BRING ON THE BBQ... ADD ON THE SIDES”

A “GAZILLION and 1 YEARS AGO”, meats and vegetables were marinated, spiced and sauced and cooked over a smokey “FIRE”! The Caribbeans are credited with the style of Barbacoa, known to modern day cooking as Barbecue. The style of racking meats over a smokey fire was used to preserve foods from spoiling. The process of BBQ evolved through many areas of Europe, Africa and Southern United States. Polynesian regions also had a style of BBQ in early times. Numerous variations of BBQ techniques have been mastered through the years, based on individuals’ knowledge and palate. Today’s modern “BACK YARD BBQ” would not be complete without the addition of side dishes.

Here are some suggestions from our LHS friends & neighbors:

**Zucchini Fries** - from the recipe box of Barbara Sosinski

  2. Season cut pieces with salt
  3. Mix Panko crumbs, Parmesan cheese & Italian seasoning
  4. Dip zucchini pcs. into beaten eggs & press in crumbs to cover completely.
  5. Place on baking sheet, single layer & bake for 15 mins.
