PRESIDENT'S MESSAGE

John Cinosky

Hello all! At the time of this writing we have a robocall system that is not working. Fortunately, we have a very good word of mouth chain, as well as the website, the Pulse, the white board in the clubhouse and the Lions Pride. Thanks for your patience while we research other robocall companies.

So, as you know, the pool closed on August 20th. Thank you for your understanding. A lot of prep work has to be done to allow our contractors to begin work so we will have a functioning pool next May. You probably also know it will be a state-of-the-art pool with a self-cleaning system, a beach entry that will make it easier to enter for those who may have difficulties normally, and a chiller so the water will not become so warm it can create bacteria. We are looking forward to its opening.

Financially, we have come out of this pandemic thing in pretty good shape. Other than the pool, we do not foresee any major expenses coming our way.

Our committees are all doing a great job, but really, really need more help. So please be a joiner. I'm sure there is something that you do that will benefit this wonderful community.

Special thanks to our office staff, who all do a terrific job working so well with our residents. We are lucky to have all of them!

Please try and attend the residents' meetings. You might even win a 50/50!

EDITORIAL

Linda LaFerrera

How quickly time goes by. Summer is already coming to an end, with the calendar telling us that the first day of autumn is only a couple of weeks away. But keep your chins up, everybody! The weather should hopefully stay warm and dry for a while longer, so we can enjoy our favorite outdoor activities ... without overheating!

Please take the time to peruse this edition of the Pride carefully. There is a great deal of information from our clubs and committees regarding everything from important business to fun events. Our hard-working volunteers put so much of their effort into making this community a wonderful place to live. In return, I'm sure these volunteers will appreciate your effort to read and absorb all that they have to share.

By the way, in case you are wondering why Carol Powell isn't writing this editorial herself, she is currently on an unforeseen "hiatus" while she recovers from a recent fall. We all send Carol our most sincere wishes for a speedy recovery and a quick return to being able to do the things she enjoys most. All the best, Carol!

GARDEN CLUB

Submitted by Clare Mathiasen

Ah, September! One of the best months of the year with, hopefully, mild days and nights turning cooler. As gardeners we can still enjoy our summer colors but also look ahead and plan for autumn's needs. Mid-month you will notice a change in the gardens.

Summer colors will be replaced with the bright fall colors of orange, red, and gold. Although they are beautiful in themselves, they are a reminder that winter is soon to follow.

September is your last chance for this year to plant that new tree or shrub while the earth is still warm and roots can establish. In accordance with moon phase gardening (a timing method for planting that is as old as mankind), the third quarter of the moon is best for transplanting or replanting your trees and shrubs. That would be between September 6th (full moon) and September 14th (new moon). During this time more moisture is gravitationally pulled from the soil resulting in better-established plants. Water them daily for a month.

To keep up with garden chores this is what is suggested for September:

- * Stop pruning and fertilizing. You don't want to encourage new, tender growth just before cold weather arrives.

- * Keep watering anything that is actively growing. With some luck these plants will last into October.

- * Start bringing in any houseplant that have been kept outside; but inspect them for insects and other pests before taking them indoors.

- * Purchase the spring bulbs such as daffodils, tulips and crocuses for planting in the fall.

- * Trim back those daylilies.

- * Visit a garden for inspiration.

- * WAGE the WEED WAR! Now is the time to limit next year's weeds. There is a saying: "one year seed, seven years weed". Don't let them set seed. It is actually easier to put a stop to them in late summer and fall because they germinate in spring.

The season is changing, as is the area in back of the clubhouse. With the new pool area comes many questions with regard to plantings...where and what? Hopefully, the Garden Club will be able to incorporate the butterfly garden we have imagined....time will tell.

COMMUNITY AWARENESS

Barbara Mortensen, Deb Rodgers - Co-Chairs

Hello Lions Head South Residents! Our AARP Defensive Driving Course came off without a hitch. Thanks to everyone who attended and those involved in helping to make this event a success. Thank you to our Security Committee for having representatives from the Brick Police Department come and speak at our August residents meeting. For this month's residents meeting we will have our Municipal Candidates Night. If you have any questions or issues regarding our town, please drop all questions off to the Office Staff by September 18, 2023. There will be no questions taken from the audience. Remember to speak up to help better our town and community.

The Brick Farmer's Market is still open and runs every Saturday through September 20, 2023 from 8:30am to 1:30pm at Windward Beach Park, 265 Princeton Avenue. Come check out all the vendors.

Did you know that Brick has BTV (Brick television)? Tune in to Comcast channel 20 or FIOS channel 32. It gives you a slideshow of what's going on in the town and the Mayor's interview with people around town. Did you sign up for the Longest Table Event, hosted by Mayor Lisa Crate? It sounds like an interesting event. It's September 23, 2023 (rain date September 24, 2023) at 1PM. It's being held at the Robert Anstett Cultural Arts Center on Herbersville Road. To see if there is still availability, send an email to longesttable@bricktownship.net or call 732-262-1050.

If you have any questions, want to suggest a speaker or would like to join our small group, please contact either Barbara Mortensen or myself, Deb Rodgers.

Upcoming: September 25 - Municipal Candidates Night

That's all for now. Enjoy the rest of your month!

We are making progress and we are already through two-thirds of the way into our calendar year! Time flies. Our completion of projects as planned is always a "good look back". Now for the future. Planning for the future is underway and the goal is to be ready in October to usher in a successful 2024.

First: Let's look at the course conditions and upkeep. So far - so good! A new and revitalized supervisory management and maintenance team, coupled with effective communication, have improved the course overall. I expect this to continue in 2024.

Second: Wildlife - As I indicated some months back, Mr. Fox has been active again. Like it or not, wild animals are a part of the landscape. So we have taken steps to accommodate all parties. Golfers are permitted to remove their ball from the trap on fairway 3 and place it 10 yards or more in the fairway (but not closer to the green). No penalty. I have also purchased a "fake" coyote and placed it in the trap in the hope that it will invite the fox to vacate to another "rent free" condo.

Third: There have been dead animals found on the course, including a fawn, turkey, and other small critters. We can speculate on "causes" and solve nothing. If you see something, say something. Call me, call the police or call Brick Township and report the incident. The numbers are in the community phone book.

Fourth: Divots and ball marks - We are looking at an improved way to deal with divots - more later. Ball marks on greens. Come on folks! Get your tool out and fix them. Be kind to your greens and fellow golfers.

Projects: The pump houses are in disrepair and we are engaging a contractor to repair them.

Pat Whyte has - again - used her floral talents to decorate the course and - get this - maintain them!! Ed Bischoff has again served up a remarkable course competition. Please remember that if you are the last team in an event, pick up the board, stake and rope and bring them back to the clubhouse! Yes??!! Big kudos to Bill Begley for all his hard work in the scrambles. And kudos to Ken Rott again.

LAST - THE FAIRWAY GHOST and walking your dog. Here we go: The golf course is NOT a pet playground and we have repeatedly found "you know what" on the fairways and the greens. To that end we are installing "trail cameras" to monitor illegal activity. (See Brick Code III, paragraph 98, Control of Dogs and Cats et sequitur.) ENOUGH!

Again - all of these plans and events are in the hands of your TEAM! Together Everyone Achieves More!

Thank you, TEAM! "All the best to the best."

LIBRARY

Janet Pedersen

Greetings, fellow Lions Head South residents. As the 2023 summer season is winding down, the LHS Library Committee and I are hoping that this summer has been enjoyable for all.

Have you ever heard of "Coffee Table Books?" Coffee Table Books are those fairly thin volumes (about an inch or so) that are usually taller and wider than standard books (usually 12 inches by 9 inches or so) which contain detailed information and many interesting photos concerning the book's subject. These publications are referred to as "coffee table books" because many homes display them on living room coffee and/or side tables due to their eye-catching, decorative covers. They are meant to draw your attention, inviting you to sit down, relax and explore their contents.

Due to some recent, generous donations, our LHS Library now has a few of these special books for you to explore. These can be found lying flat on the right-hand shelves under the 'large print books' or in the "new arrivals" section. Next time you are in the clubhouse, I invite you to take a few moments to browse and make a selection.

As always, thanks to all who have donated to our wonderful Lions Head South Library in the past and to my truly valued committee members who help to maintain its offerings.

Happy reading!

SOCIAL COMMITTEE

Lee Bruziatis

Halloween Party Oct. 28

The Social Committee is hard at work planning a spooktacular Halloween Party for Saturday, October 28 from 7-11PM. You won't want to miss it, so please save the date! We will have dancing with DJ Ricky Rella (who everyone loved at our Prom event), some surprise entertainment, dessert and coffee, a photo booth, and a costume contest. While costumes are not required, we hope you will get into the spirit of the event even if you just wear a Halloween t-shirt. For the competitive people out there, start planning your costume now! Our costume prize categories will be: Best Overall, Best Duo/Group, Funniest, and Scariest. Tickets go on sale in October.

Take Our Survey

We are beginning to plan for next year's events and we want your input! Please take our online survey at bit.ly/SocialLHS and let us know what you would like to see us schedule for next year.

Please keep in mind that this survey is for Social Committee events only. Our committee plans about 6 parties or entertainment events each year for the enjoyment of our residents. We don't receive any funds from the Association - the price of your ticket pays for everything. That includes food, beverage, entertainment/DJ, tablecloths, paper products and utensils, decorations, prizes, and any other supplies needed. Also, we don't do the monthly pool parties (that's Recreation), we don't do bingo (that's for the other clubs to do as fundraisers), and we don't do trips (that's Travel).

Christmas Car Parade

Mark your calendar for our Christmas Car Parade around LHS on Sunday, December 10th at 5PM. We'll be looking for residents to decorate their cars or trucks to bring some holiday cheer to our neighbors. More info will be coming in November.

Website

Please check our website at www.lionsheadso.com/social for more details about our committee and our events. We also have some great pictures and videos from past events.

LHS MEN'S CLUB

Bob Pederson

September is here already and I hope everyone had an enjoyable summer. I want to thank those of you for the kind thoughts while I have been "under the weather". Special thanks to Rich, our VP, for stepping in and taking charge. We had two "ice cream" days at the pool this year and they were enjoyed by all who attended.

The Blue Claws party game did not sell out again this year, which is unusual. The night out with a buffet and a ball game was always a big "hit" and sold out in the first two weeks. We, as a group, need to promote more and support more events if we are to survive as a club going forward.

Due to various issues, I will not be continuing as President next year and a new slate of officers will be needed. So join in, get involved, bring some fresh ideas, have lunch once a month, and help keep the Men's Club alive.

A thank you goes out to all of the members of the club that come out for lunch and volunteer at our functions.

Stay well and God bless to all.

CHORUS

Bonnie Luton

Welcome to September and the kick-off for our new holiday season of music, fun, friendship, and entertaining! On TUESDAY, SEPT. 5TH at 12 noon, Tino is available to show us the video of our Spring Show, and I would like this time to be a little celebration for the chorus. The hope is that we will each bring something to share, such as fruit/veggies, chips/dip, desserts, etc. Angela Trilivas will coordinate this get-together, so please call Angela at 732-451-2460 and tell her your ideas. Bring your own beverage.

I hope everyone is able to come on the 5th. The date and time were cleared with the office, working around all of the other activities that are happening here in Lions Head South.

Our first rehearsal is Monday, Sept. 18th, at 1:30 pm. Music and rehearsal schedules will be given out. Come and bring a friend. Everyone is welcome to join our LIONS HEAD SOUTH CHORUS!
