PRESIDENT'S MESSAGE

John Cinosky

For those of you who were unable to attend the June 12th residents meeting here is the pool update:

We have a signed contract to go ahead with the new pool construction. Construction will begin shortly after Labor Day. The pool will have a beach entrance for those who may be a little unsteady on their feet; it will have a state-of-the-art, self-cleaning system. It should be ready for the 2024 pool season with a completion date of early May 2024. We have bank financing in place which will be repaid out of normal operating expenses; thus no increase in HOA fees or special assessments will be necessary. FYI we have allotted \$1.5 million dollars for its construction but do not anticipate it will cost that much.

If you have a dog, as many of us do, it is your civic responsibility to pick up after your pooch. If you violate

this protocol, you may be assessed a hefty fine. I hate to say this, but big brother is watching.

Be kind to our staff and those volunteers you may come in contact with. If you feel the urge to get nasty, fight it. While this applies to very few residents there have been increasing incidents. So, avoid a possible fine and be NICE to everyone.

With increasing vigilance by the town and the EPA with regard to trees and vegetation, I would like to thank Barbara Skelly, the Architectural committee, Buildings and Grounds and of course Tom Berhens for staying on top of the potentially costly situation. So, before you cut or remove trees and shrubs check with Architectural to protect yourself from costly fines.

August, already the halfway mark of summer. Time really does fly when you're having fun! It seems like they just opened the pool last week. Wasn't the Fourth of July BBQ yesterday? Sure seems that way sometimes!

So, here's hoping you are all enjoying your time in the sun and taking full advantage of all that our community has to offer, not to mention nearby beaches, boardwalks, great restaurants and a plethora of entertainment options within a short drive. Summer at the Jersey Shore really can be special. If you are able to enjoy any of the concerts at either Windward Beach or Trader's Cove they can be a great way to spend an evening out under the stars. Brick township provides transportation if needed. Contact Senior Services for additional information. How about our Farmer's Market on Saturday mornings at Windward Beach. If you have not already been there check it out when you can. What a great way to spend some morning time.

Just a note to remind all: Any resident is welcome to submit a piece to our Pride. If you have had a special family event that you would like to write about, please don't hesitate to submit it. If there is no space in this issue, there most likely will be in the next. We also love stories and photos of your pets. Suggestions are also welcome. Our email address is in every issue, just above the Board of Trustees on page two. I do my best to be available for questions or assistance. My phone numbers are in the community phone book.

As always, don't forget to stay safe and most importantly, stay well.

ARCHITECTURAL COMMITTEE

Margaret DeFillipo

Hope everyone is enjoying their summer at Lions Head. As we head into the middle of summer, with all the unexpected storms, please take time to walk around your home and check your siding, gutters and leaders to make sure they are intact. Also, check for fallen trees and tree limbs.

Please remember any alterations and changes to the exterior of your home need an Architectural Application. Applications are available at the office and on the website.

All tree branches overhanging the sidewalk must be pruned to a minimum of seven (7) feet up from the sidewalk. This is the homeowner's responsibility.

If there are plantings in front of your home around the utility boxes, they must be kept trimmed so the workers can have access to the boxes.

Per Architectural Regulations XIV Page 13

- **Utility Box Planting**

All shrubs planted around utility boxes shall be pruned at the sides and top of the cover so that the cover can be opened by utility company personnel. No shrubs or flowers shall be planted on the front side of the utility boxes. A 10-foot clearance is needed in front of the transformer cover so that utility employees can properly service the transformer with special tools. No raised edging blocks, wall blocks or fences of any material shall be permitted around the utility box.

Enjoy the rest of your summer and be safe.

GARDEN CLUB

Written by Carmela Ferraro

Submitted by Clare Mathiasen

At this writing, we're having several dreary, cloudy, dismal days, almost like fall. It's the end of June, approaching July, and we should be having beautiful days of 80-90 degrees with bright sun. Oh, well, can't wait to see what August brings.

Hope you are all doing well with your milkweed plants and butterfly feeders. With all the beautiful summer flowers, you should be attracting many pollinators. (Would like to hear about your successes and/or failures.)

As previously mentioned, our plans for a butterfly/pollinator garden have been put on hold because of the upcoming pool construction. But we continue to search for areas that need attention. More on that in our upcoming articles.

It pleases me to know our articles are appreciated and members of the community feel comfortable calling and asking for information or advice. Recently, I heard from two members of our community. The first had a problem with groundhogs (woodchucks). She solved her problem before I had time to do much. But the following information may be helpful if you have a similar problem.

Groundhogs are active dawn to dusk, April through September. They like insects, worms and garden crops and will build their burrows under a structure's foundation or in wooded areas. Some solutions for discouraging them are:

- Fencing, if possible
- Predator urine—Who knew you can actually buy a jug of animal urine at your local home improvement store???
- Smelly stuff such as garlic, lavender, cayenne pepper, etc., spread throughout the yard
- Ammonia-soaked rags placed at or stuffed in the entrance of their burrow
- Scarecrow or vibrating things such as wind chimes or pinwheels
- If you have a serious problem, contact an exterminator or local animal control.

The second caller had a problem with rhododendron root weevils. Black vine weevils are the most obviously injurious insect pest of rhododendrons. It feeds on the roots and leaves of the rhododendron and other broadleaved evergreens. If your plant has leaves with circular notches on the edges, you have root weevils. The adults feed at night and are not seen in daylight. She had good luck with Neem Oil which is an organic natural insect killer.

- Following are some other do-it-yourself ways to rid your plant of this insect:
- Using a flashlight at night, find the weevils and remove and destroy them.

- Spread crumpled burlap or paper at the plant base, trapping the insect so they can be removed.
- Use plant friendly sticky tape around branches to prevent the insect from reaching the leaves, be sure to remove when no longer needed to prevent damage to the plant.
- There are pesticides that can be used against the larvae, and others that are effective on adults.

AUGUST GARDENING HINTS

It's time to divide Irises. With a knife, separate rhizomes, check for any borers and destroy them. Discard any soft or rotten rhizomes. Each rhizome division should have one leaf fan. Cut foliage back to 4-6 inches. Replant divisions 12-18 inches apart, with rhizome tops barely showing above the soil surface.

- Asters are a popular choice for late summer and fall color and are deer resistant.
- Late August and September is the time to separate and transplant peonies.
- It is a good time for final fertilizing of all plants.

We meet on the second Wednesday of each month from March through November at 10:30 AM in the Lion's Den. Our next meeting is August 9. Please join us and see if you'd like to be a part of this busy group.

SECURITY

Maryellen Klotz

As a Security Committee our goal is to keep our residents safe and informed of any potential concerns.

In mid-June there was a break-in at a home on Lauren Lane. Police were called and a report made. The resident asked that the community be informed of this incident so that others will be extra cautious when making vacation plans to keep their homes secure.

Tips

- *Advise only "need to know" people of your vacation plans and wait to get home before posting pictures on social media
- *Keep curtains/blinds in their "normal" position - not closed
- *Have mail and/or newspaper brought in by a trusted neighbor
- *Put lights on a timer
- *Ask a neighbor to park their car in your driveway
- *Secure your valuables (jewelry, electronics, financial info)

While there is no guarantee these suggestions will prevent a break-in - it will lessen your chances of becoming a victim. As always, IF YOU SEE SOMETHING - SAY SOMETHING! The non-emergency number for the Brick Police Department is 732-262-1150 - keep it in your phone.

TRAVEL COMMITTEE

Submitted by Deb Rodgers

Hello Happy Travelers; The River Lady Lunch Cruise is August 10, 2023, departing @ 10:30am. You will need to pay for parking, so remember to bring change, \$3.00 should do it. Carpool if you can as the lot is small.

The Cruise to Greece is getting closer. Start preparing your what to bring list. Have you checked/booked excursions you were thinking about? Get yourself familiar with the layout of the ship. It helps when you know which stairs to take. Just sitting here thinking about cruising, I can smell the sea air!!

We will be looking at the interest sheets posted on our bulletin board to see which trip we will take next year. Have a great summer wherever you travel and may all your travels be memorable!!

SOCIAL COMMITTEE

Lee Bruziatis

Our 4th of July barbecue event was a huge success with 160 tickets sold! That's a lot of burgers and hot dogs! It was hot and humid, and storms were predicted, so we set up our food service indoors where many residents decided to sit in the air conditioning. Many others remained outside to enjoy the pool as the weather held out until after 4PM.

Thank you to our amazing social committee members, Maureen Benesch, Diane Steensen, Linda Parlock, Rose Szpara, Sandy Hamaydi, Tony Bruzaitis and Karen Angelo for their hard work organizing and working at this event. Thanks to our grillmasters, Bill Hamaydi, Bill Carberry, Michael Wiggins, and Phil DeCarlo and to the Mens' Club for lending their grill. Thank you to volunteers Jan Mickelsen, Sandy Laurie, and Susan D'Onofrio for serving food and helping with cleanup and Marie Thomas, Tia Katakozinos and Paul Kiczek for filling in where needed. Thanks to Marcene Talty for the taco salad and Barbara Skelly for the sauerkraut and to the always helpful Tom Behrens for coming to the rescue with keys and temperature control. Also a big thank you to Tommy Gannon and Vinny (sorry I didn't get his last name) for the live music surprise!

Our next planned event will be a Halloween Party on October 28 so save the date!

LHS MEN'S CLUB

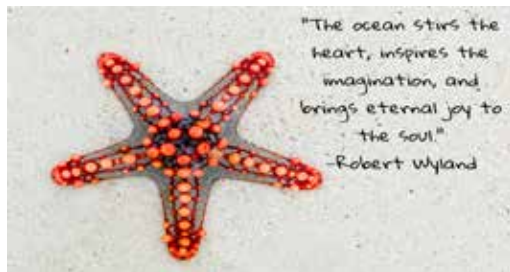

Bob Pederson

Summer is half over and I hope you all are enjoying the weather. The golf outing didn't generate as much interest as hoped this year. Possibly because the event was not promoted early enough. Will do our best to stay on top of upcoming dates. However, Paul Minnetti stepped up (with one wing) and he and his kitchen crew did a fine job on the grill as usual. Thanks Paul. Also, kudos go out to all those who helped with Social's July 4th BBQ at the pool. Great job! The Men's Club will be giving out ice cream at the July 30th and the Aug. 27th fun day at the pool.

Mark your calendars for the Men's Club Blue Claws game on August 18th. Tickets will be on sale in the clubhouse Monday mornings at 9:30 till 11 AM on a first come first serve basis. We will be on the 3rd base party deck with a buffet and a cash bar. Thanks to Joe Bill for setting this up again.

Men's Club will be having a bagels and bingo on October 14th and the annual beefsteak on November 11th. Tickets are not out for these yet but will be available in time for the events. Unfortunately, multi-day and/or single day trips had to be cancelled this year due to the extremely high costs involved. Delaware racetrack, always a big hit, would have cost 3 times as much as it did before COVID hit.

The Nominating Committee will be looking for new officers for the Men's Club to take over next year. Please step up to keep the club going. Speak to any Men's Club officer for more information. Enjoy the rest of your summer and stay well and stay safe.

LIBRARY

Janet Pedersen

Hello to all at LHS! The members of the LHS Library Committee and I are thrilled to see how much our fellow residents are enjoying the current and varied collection of books in our clubhouse library.

As a reminder of helpful ways to aid you in your selections, our library staff have been including the copyright year on the colored dots of each book. These 2-digit numbers below the author's initials are to let you know how recently the book was first circulated and to aid you in determining if you possibly have already read the book or if it is one you haven't enjoyed as yet.

For our magazine lovers, the woven basket by the library fireplace at any given time will contain several types of informative magazines for your reading pleasure. A short list of possible issues is... Time, Sports Illustrated, Golf Digest, HGTV Magazine, Better Homes & Gardens, Real Simple Magazine, Women's Day, Good Housekeeping, Coastal Living, Southern Living & New Jersey Magazine to name a few. Other educational periodicals can be found on the bottom shelves below the Large Print Book sections. Choices in this periodical section may include Smithsonian Magazine, National Geographic, American Legion Magazine, Prevention Magazine and some recently donated wood-working magazines for you hobbyists out there. Please feel free to browse through our selection next time you visit the clubhouse.

Here's wishing all our Lions Head South friends and neighbors a wonderful remainder of the summer season!

HOT DIGGITY DOGS!

The most popular for summer grilling!

AUGUST... it's middle of summer & the grill keeps heating up AND GOING DEEP on the HOT DOG!

The FOOD network magazine offered an article that gave the hot dog (SAUSAGE, FRANK or WIENER) "whatever you want to call them," four updated toppings! Cooking & serving the hot dog has endless styles with names that reach every corner of America! From the "dirty water" New York pushcart style, to the "Texas Cheesie Wiener" and so many of us have experienced the "ETHNIC ITALIAN DOG."

Franks have entered the table in a variety of forms including the CORN DOG or A PIG in the BLANKET. AND the traditional condiments of sauerkraut, onions, relish, mustard & ketchup.
