PRESIDENT'S MESSAGE

Carol Powell

November to me always means the start of the holiday season and all of the wonderful family gatherings that go with that time. Here at Lions Head South many of us feel that we are part of another family, the one that is made up of friends and neighbors. For those who could not attend resident meetings, we started next year off with contract agreements for several vendors who were able to hold their pricing at this year's level. Those included Senior Publishing, (the Pride and our phone books), TYCO/Kantech, (Alarm System), Shore Solutions, (Computers), and Shore Technology, (Cameras). In addition, pool leaks have been identified and solutions are being addressed.

Plans for a yearlong 40th Anniversary celebration are underway. Lions Head South is officially forty years old in 2022. By the time you read this, the parking lot should have a fresh top coat to protect it and prevent problems. I hope that when you read this, we have answers regarding completion of the Verizon installation project. They have proven difficult to reach.

You may have noted that there are sign in sheets in the clubhouse. This is a precaution only due to the rising numbers of COVID cases in recent weeks. As of early October, when I am writing this, we have no knowledge of any cases here in our community but as always with this pandemic we prefer to err on the side of caution.

We had an unusual occurrence in September that appears to have occurred sometime during the See You in September Party. Which, by the way, was a fun evening, enjoyed by all so kudos to the Social Committee. The following day a hole was discovered in the wall in the men's room. We understand that accidents happen. Should you find that for any reason you have damaged any property, please let someone know so repairs can be addressed. As always, thank you to all who give their time and talents to keeping our community the excellent place to live that we all know and love. Stay safe and most important, stay well.

EDITORIAL

November is upon us, a month that provides us with a sense of transition. Nature's autumn colors and crisp, sunny days are leaving us while the cooler temperatures of harvest season have arrived. The outdoor patio barbecues are being replaced with more cozy indoor gatherings, perhaps around the ambience of a fireplace that is experiencing its first use of the season. Neighbors with whom we frequently engaged outdoors may now be starting to stay snuggled inside their homes. Dinners around a table laden with autumn fruits and vegetables are becoming the centerpiece of opportunities for delicious entrees and desserts in the company of our family and friends. Of course, Thanksgiving is the highlight of the month, and gratitude can be a powerful stimulus for paying forward our many blessings. Do you know someone who needs a cheerful phone call, or perhaps a ride to the grocery store, or maybe some help getting to the polls on Election Day, or even a chance to share a meal with you? We have so much for which to be thankful. As the season's temperatures make their transition from warm to cool, let's continue to share our personal warmth with our neighbors in this community we call home. Happy Thanksgiving to all.

GARDEN CLUB

Linda Adamo

Well, it is hard to believe that soon the holidays will be upon us. The Garden Club has been busy as one can witness with their fall decorating duties completed, and now it is nearly time to begin our winter work!

At our September meeting, it was reported that we shared with Turfmaster our recommendations for plantings at the front entrance. We hope you'll enjoy what we have chosen. I would like to also invite you to view the bulletin board the Garden Club maintains just outside the entrance to the main room at the clubhouse.

As you all probably have removed your annuals by now and your ornamental cabbage, mums, and pansies have taken their place, they too may be subject to a very cold night. So, enjoy them while you can. Mums can be cut back once spent and planted in the ground and covered with mulch to once again be enjoyed in the spring. Tulips and daffodils may still be planted for spring bloom even after a first frost. All beds would enjoy a 2-4 inch covering of mulch during this season. Drain your garden hoses and clean and oil your garden tools before storing them until spring.

Bushes and hedges may be trimmed before the cold weather comes. Pruning should be done once weather is cool and dry. Dead branches should be pruned to encourage growth. Perennial beds should be well watered before the ground freezes.

Indoor plants should be checked to ensure they are receiving enough water, humidity and air circulation. Check for spider mites and scale and treat as needed. Cut back on feeding of houseplants at this time.

Some fun garden facts:

- A sunflower is not just one flower but 1000-2000 individual flowers held together on a single stalk as found in the fuzzy brown center and the classic yellow petals.
- Plants really do respond to sound! A silent greenhouse compared to one with a voice soundtrack piped in found that plants in the latter grew more!
- You can change the color of your hydrangeas by altering the pH level of the soil. A more alkaline soil will result in pinker blooms while acidic soil will result in blue blooms. To coax your plant to the blue side, add organic matter to your soil like egg shells and coffee grounds. The change won't happen overnight but eventually you should succeed.
- Deer with a running start can jump eight feet! Tiny fences won't keep them out. Try planting thorny or

pungent plants or try scaring them off with lights or wind chimes.

Just as an FYI, the Garden Club volunteers don't just play in the dirt. but we also have some fun without getting dirty. We will be enjoying a November potluck luncheon at the clubhouse for our members. That will be a first for this group as we usually visit a local restaurant, so we will be enjoying everyone's favorite dish! Looking forward to it. YUM!

On this note, I would like to invite other interested community members to come join us. The signup sheet is posted in the clubhouse hallway during the month of November. We do not meet in December, January and February so we will not meet again until March, 2022 on the second Wednesday of the month at 10:30 a.m. We are an active, fun group and you will learn as you go, always working with a veteran member if you have no previous gardening experience.

Best wishes for a Happy Thanksgiving!

Jim Mort

As the year rapidly draws to a close, we have experienced a positive change in the weather which, coupled with the diligent work of our course superintendent Brian Young, has resulted in a great improvement in the overall condition of the golf course. The course is back to the condition we have accepted as our norm; the greens, fairways and tees are in outstanding shape and we are extremely pleased with the results of the last month of maintenance. I appreciate all the time and effort put in by Brian to obtain these results.

The Fun Day, September 18th, activities can be reviewed on the LHS Website along with the many pictures taken by Pat Whyte. The weather was great; we had a good turn-out; the food was excellent and well prepared by Rose Kuch. The many activities, chipping, putting, bean bag contest and balloon toss made an enjoyable afternoon and, as the name implies, a Fun Day for all. Much thanks and appreciation to Marcene Talty and her staff of volunteers for staging this fun packed event.

The Annual Golf Tournament, September 25th, also had a picture-perfect day. We had an excellent turn-out, with a final count of 96 players and a good time was had by all. With COVID still a restraining factor, we did limit our tournament to three separate flights to minimize the size of any gathering and are hoping and planning on a fully functioning and competitive tournament in 2022. The support of our tournament by our Sponsors, Bright View, Turf Master and Spirits Unlimited, greatly facilitated our ability to successfully complete the tournament and award prizes of approximately \$1,000.00, as well as give away some 30 gift certificates and other items of value. We did not have an award for lowest score, but three teams did have a score of 25 which is an outstanding round of golf on our course. Also, our resident golf instructor, Art Robidoux, awarded golf instruction for the worst score recorded. Next year, along with getting the tournament back to a normal footing, we intend to have the putting contest for a cash prize and also increase the overall value of prizes awarded. The volunteers supporting this event seem endless, but I would be remiss if I did not mention the time and effort put in by Elaine Long and Jean Flaccavento, breakfast and lunch; Ed Kraft, pick-up of food; Bob Pedersen, 50/50; Ed Bischoff, course set-up; Lee Scaturro, prize distribution; Brian Halm, Co-Chair and administration and Brian Young, golf course preparation and maintenance. Thank you to everyone who participated and assisted in the overall operation; it was a job well done by all concerned. Pat Whyte once again provided the extensive photo coverage which can be viewed on the LHS Website. Thank you, Pat.

The results from the October 12th Scramble are posted to the LHS Website and on the LHCC outside BB. The next and last Scramble of the year is scheduled for November 9th, weather permitting.

We are putting together an outing for Veterans Day, Thursday, November 11th, at the American Legion, Church Road, approximately 12:00PM. If you are interested in participating, please place your name and phone number on the listing for this event that is posted to the LHCC outside BB.

The last Board of Directors meeting was held on September 14th and the minutes are posted to the LHCC outside BB. The next Board of Directors meeting will be scheduled as required, with a date TBD.

The final drawing for the 20/20 Raffle was held at the Residents Meeting, October 11th. The results are posted to the LHS Website and the LHS and LHCC BB. I appreciate the participation and support provided by our community. A special Thank you to Marjorie Kennedy, our Treasurer, for all of the time and effort she put in to ensure the 20/20 raffle was set-up and properly run through-out the year.

The Drawing for the Free Membership Raffle is scheduled for the December Residents Meeting. There still is time to participate in this raffle and a free membership would be a great gift for anyone. Tickets are available at the LHCC Clubhouse.

The WGA is presenting Bingo on Friday night, 7 PM, November 5th and we appreciate your support for this event. Cost is \$10.00 and refreshments, coffee, tea, soda and water will be provided.

The October 18th General Meeting minutes are posted to the LHS Website. Lee Scaturro officially “retired” from the Board of Directors and was replaced by Marcene Talty. Lee has actively served on the Board for approximately 14 years. Lee, your dedicated effort and presence will be missed and we know we can count on you to continue to support the programs of the LHCC and WGA. Many thanks and much appreciation for all you have done for us over the many years of your volunteer service.

As always, if you have any questions concerning the golf course and/or problems golf related, you can call me or any of our Board of Director members.

ARCHITECTURAL COMMITTEE

Stephen Scaturro, chairman

House Painting:

The Architecture Committee would like to remind homeowners of the process involved with painting your house.

As with any work to be performed, approval from the Committee is required before work starts which begins with an application submitted to the LHS Office along with a color sample of the paint. The steps involved in painting are as follows:

1. Power wash the house.
2. Paint the house with primer to ensure the surface is ready to accept paint.
3. Paint the house with the color approved by the Committee.

It is also acceptable to paint the brick on the front of the home. The color must be the same as the siding currently on the home.

This process can be started with an application submitted to the LHS Office.

LIBRARY

Janet Pedersen

Greetings, LHS! The members of the LHS Library Committee and myself have been thrilled to see how much our fellow residents are enjoying the current and varied collection of books in the clubhouse Library. In order to help you make your selections, the Committee and I have been including the copyright year on the colored dots of each book. This is to let you know how recently the book was circulated and aid you in determining if you possibly have already read the book or that it might be one you haven’t enjoyed as yet.

For our magazine-lovers, the woven basket by the library fireplace at any given time will contain several types of informative magazines for your reading pleasure. A short list of possible issues is... Time, Sports Illustrated, Golf Digest, HGTV Magazine, Better Homes & Gardens, Real Simple, Women’s Day, Good Housekeeping, Coastal Living & New Jersey Magazine to name a few. Please feel free to browse through our selection next time you visit the clubhouse. Also take the time to enjoy the beautiful Fall colors our LHS Community is offering to us all. Be well.

RECREATION COMMITTEE

Debbie Carroll-Coco and Marie Thomas

While we were all sorry to see the pool close on September 12th, we recognize that LHS offers a lot of other recreational activities that we can enjoy both inside and out. There is shuffleboard, bocce, tennis, and pickle ball. I’ve also seen more people walking and biking around our community. What a great way to stay fit and healthy, and also enjoy nature and our beautiful surroundings.

Indoors, you have a choice of utilizing the physical fitness center, playing indoor shuffleboard, or shooting pool. In addition, there are two classes: yoga with Bobbi on Thursdays at 11:00am (\$5.00 charge per class) and Tai Chi on Thursdays at 5:00pm (free to all residents) with Maureen Benesch.

The repair of the leaks that were found by the diver after our pool closed will be addressed by the Buildings and Grounds Committee. They must submit bids for the repair. It is our hope that this can be done in time to open the pool by Memorial Day of 2022.

The Recreation Committee is planning on several “Sunday Fun Days” at the pool next summer due to the positive feedback to our Olympic Pool Party. This would include DJ music. We will also look forward to a fresh look at the pool with the new furniture that has been ordered.

In the meantime, enjoy fall! Hope to see more of you enjoying all the recreational facilities that Lions Head South has to offer!

SECURITY COMMITTEE

Tia Katakozinos

The function of the Security Committee in Lions Head South is to develop, place into operation and supervise a security program appropriate for the needs of the Association as approved by the Board of Trustees. Currently, the Security Committee is planning to add security cameras to many areas in and around the Lions Head South community. This effort will provide measures to assure our residents safety, as well as offer the ability to monitor all activities.

Our **Neighborhood Watch Program** has been reinstated with over 30 active resident members. Neighborhood Watch members keep an eye out for the safety and security of our neighbors, homes and surroundings. We work directly with the Brick Police liaison, to keep track and report all suspicious vehicles, persons, or behavior.

Reminder: If you SEE something, SAY something.
Have a very SAFE remainder of 2021!

SOCIAL COMMITTEE

Debbie Holzherr

I hope that this finds everyone enjoying this beautiful fall weather. It's hard to believe we are entering the holiday season.

The Social Committee is looking for volunteers to participate in our 2nd Holiday Car Parade in the community. All you need to do is decorate and drive your vehicle. We will line up in the parking lot at 4:30 to start by 5PM. We hope to expand our route this year. Classic cars and convertibles are especially appreciated. The proposed dates are December 5th or 12th, of course weather permitting. We will keep you posted via social media and the robocall. There is a signup sheet on our bulletin board in the clubhouse.

Our next event will be a New Year's Eve celebration on Friday, December 31. We plan to keep it simple. People seem to like to have an early dinner so we will start at 8PM - 12:30 AM. We will supply the entertainment and dessert. It is a BYOB. Feel free to bring your own food and snacks.

Ticket prices will be announced at a later date and will go on sale Monday, Dec 6.

STANDING COMMITTEE SIGNUPS

Signup sheets for the 2022 committees will be posted on November 1st in the Clubhouse hallway and will be taken down on November 19th by 12 noon. We urge you to consider signing up for one or two committees. You must sign up every year to be on a committee; **you are not automatically on a committee year after year.** Standing committees form the back bone of Lions Head South. These volunteers make recommendations to the Trustees and keep them informed on a multitude of issues.

TRUSTEE ELECTION

By the time you are reading this article, you should have received your ballot for Board of Trustees election in the mail and have made sure your vote is counted by returning it to the office.

There is no more important process than electing your Board of Trustees. The mindful decisions made by them serve to benefit your community by both preserving and improving what you love about your choice to live here. Your support in the decisions they make on your behalf will serve you well now and in future years.

MEN'S CLUB

Don Antonelli

Happy fall season to all. Hope you are enjoying the cool weather. The community is doing its best to provide activities for all to enjoy. The Men's Club hosted a very successful Bagels and Bingo event. We had 83 participants and all had fun.

Next up is a Night at the Races and Beef Steak Dinner on November 20 for \$35. Finally, our holiday gala will be held on December 7 at the American Legion in Toms River. Complete buffet dinner includes soda, beer and wine. Men's Club members go for free; all other guests pay \$50. Also, there will be live music by Steve and Debbie.

As always, everyone stay well and God bless.

WOMEN'S CLUB

Sara Millard, Public Relations Chairperson

It is a wonderful feeling to be back in our clubhouse again. Getting involved in the LHS Women's Club is a good feeling and let's hope we can accomplish what we want and can be successful.

We are having our luncheons once a month and hoping everyone will attend and help to make it an enjoyable afternoon. The September meeting was informative, listening to Mr. Jeffrey McWeeney, a lawyer, to educate us in legal matters for the elderly.

I know that we are combining two women's clubs into one, and that we have done this in a friendly way. I also noticed that I am getting to know more people than I knew before.

So, now that winter is around the corner, let's have many happy get-togethers, and hope that everyone stays healthy. Good luck to us!!

P.S. The Women's Club Public Relations Committee also does our lovely posters in the clubhouse hallway, advertising our monthly meeting.

LHS Men's Club

BACK AT WORK!

At last, after a long Covid delay the Men's Club brought Bingo back to the LHS Clubhouse. On September 21st, 83 people attended our Bagels and Bingo event. It was enjoyed by all! Pictured are the Men's Club's officers- L-R Joe Bill, VP; Brian Halm, Treasurer; Tom Tormey, Secretary (and Bingo Caller); and President Don Antonelli. Thanks to all who participated in making this a successful event.

Once again, on September 8th, Jim Mort and crew performed their civic duty in cleaning up the trash on Beaverson Boulevard. L-R Ed Gregersen, Phil DeCarlo, Ed Kraft, Bill Begley and Rich Szymanski. Thanks Guys.

A true definition of THANKSGIVING is a time to give thanks for hard work and sacrifices for the HARVEST! I think of LHS as the HARVEST...! Thanking everyone who has volunteered & stepped up and offered hard work and sacrifices to make our community SPECIAL. Wishing everyone at LHS the very BEST 2021 Thanksgiving season. This year THANKSGIVING will be observed on the traditional 4th Thursday in November, 11/25/21. Traditionally, dinner will always have the familiar, favorite and delicious sides present at the table. Adding creativity to the 2021 menu, several of our community friends and family have offered & inspired some NEWNESS to the menu. I look forward to the results.

YAKOV SMIRNOFF: MAKE AMERICA LAUGH AGAIN

AN INTEREST SHEET IS POSTED ON TRAVEL BULLETIN BOARD

Yakov's **'Make America Laugh Again'** comedy show features Russia-born comedian and two-time winner of 'Comedian of the Year,' Yakov Smirnoff. This comedic production is sure to bring explosive laughter, witty perceptions, and the charisma of this iconic comedian.

This philosopher and comedian promises to have you laughing your 'yak-ov.' Yakov's style of hilarious comedy is perfectly explained by his motto 'to experience happiness and teach it to the world with passion through comedy and sensitivity' and his humorous relational commentary confirms that love and laughter do indeed go hand and hand.

You'll be laughing until your sides hurt as Yakov shares his hilarious perspectives on life, American culture, and the indisputable differences between men and women.
