

The Alzheimer's Association of Greater New Jersey
Seeking Volunteers to Facilitate
Memory Cafes @ The Ocean County Library

Make a difference supporting those with early stage memory loss and their caregivers.

What is a Memory Café?

A monthly social gathering where people experiencing memory loss and their care partners come together to connect and support one another in a relaxed, non-judgmental atmosphere. Participants enjoy social time, music, art as well as games and activities.

Memory Cafés have two trained early-stage social engagement leaders at each session that plan activities that provide a positive experience for all.

Alzheimer's disease impacts millions of Americans and you can do something to help by becoming an Alzheimer's Association® volunteer.

Training given by the Alzheimer's Association / Background check required.
